

## **Delegates' Comments**

**1 day workshop 37  
Entitled**

### **Pressure Vessel Design, Construction, Maintenance and Troubleshooting Workshop**

**Workshop Developer and Facilitator :**

**Dr. Herbert De Vries, BSc (Mech.Eng), Pr.Eng. G.C.C., MSAIMechE, MBL, DBL**

FS (Tech Mgr): Topic and info useful.

LG (Process Eng): Very practical & useful.

SN (Mech EIT): I thoroughly enjoyed the presentation. It contributed to my development and was interactive and knowledge enriching.

SH (Mech EIT): Very informative course. As an EIT, I will definitely use the information covered today.

RC (Eng Mgr): Good course!
