

Delegates' Comments 1 day workshop 46

Entitled

Value Engineering and Value Management

Course developed and presented by:

Mr. Kurt J Huber, Pr. Tech.Eng., CVS (Life)

GVS : Definitely worthwhile course.

BL: A complex subject always worth new ideas or focus – very good.

EL: I thoroughly enjoyed the course and found content very valuable.

PM: Could not fault this course.

VE: I enjoyed it very much and will follow up on further training.

DN: Very good. Will recommend course for my department.

MF: Good course. I hope that industry will use it more.

RG: Very good presenter. Enjoyed topic and presentation. Valuable content.

HM (HOD Electrical): Good overview of the VE principles. Good venue. Excellent facilitator.

KD (System Eng): The presenter was excellent! Please keep the good work as facilitator is a motivator and inspirational person.
