2 day workshop 70

Entitled

Leadership and Management Roles in Engineering

Workshop developed and presented by:

Mr. David Ramsay, B.Sc (Civil Eng.), MEngMan, MSAICE, COMENSA

CZ (Team Manager): A very good training, enabling me to balance technical aspect of my work with people managerial functions. Recommend if for all who manage people.

LY (Team Manager): Good interactive sessions.

VS (Team Manager): Very informative session and an eye opener for self awareness.

DJ (Team Manager): Insightful information based on a lot of experience.

JF (Team Manager): Very powerful course presented very well.

EC (Team Manager): I found this course very helpful and will apply everything that I have learnt.

DF: This is a great course, absolutely outstanding content and contemporary to the way business is run.
