### **Dr. David J. Miller Elected President of the Special Care Dentistry Association**

(Hoffman Estates, IL, May 16, 2019) The Special Care Dentistry Association (SCDA) announced today that Dr. David J. Miller has been installed as President of the SCDA.

“We are excited to have someone with Dr. Miller’s leadership experience at the national, state, and local levels of organized dentistry guiding our organization,” explained Dennis Bozzi, SCDA Executive Director. “Dr. Miller held several positions at the American Dental Association (ADA), was President of the New York State Dental Association (NYSDA), and President of Nassau County Dental Society (NCDS).”

“For my entire career, I have been passionate about caring for the oral health needs of patients with intellectual and developmental disabilities. I look forward to working with SCDA’s Board of Directors and the Councils of Disabilities, Geriatrics, and Hospital Dentistry to continue to provide professionals who treat patients with special needs a forum for an exchange of clinical ideas and patient management techniques. I am grateful for this opportunity to lead and serve,” said Dr. Miller.

Special Care Dentistry Association (SCDA) ([www.scdaonline.org](http://www.scdaonline.org)) is a unique international organization of oral health professionals and other individuals who are dedicated to promoting oral health and well-being for people with special needs. SCDA provides educational opportunities and information exchange for members including dentists, dental hygienists and assistants, non-dental healthcare providers, health program administrators, residents, students and hospitals. SCDA advocates for national legislation and is involved in shaping dental residency education, and developing both practice guidelines and institutional protocols designed to assist practitioners in providing oral healthcare services.

Dr. David J. Miller, DDS, FACD, FICD, FPFA is Chairman of the Department of Dental Medicine at the Interfaith Medical Center ([www.interfaithmedical.com](http://www.interfaithmedical.com)) in Brooklyn. He has been training General Practice and Pediatric residents for more than 30 years and has a long history of treating patients with intellectual and developmental disabilities. Additionally, he has a private dental practice in East Meadow, New York. Dr. Miller's academic and clinical appointments include: Assistant Professor of Clinical Dentistry, New York Medical College; and Assistant Clinical Professor of Dentistry, Columbia University School of Dental Medicine. He holds fellowships in the following professional organizations: American College of Dentists, International College of Dentists, and Pierre Fauchard Academy and is a Distinguished Practitioner in the National Academies of Practice.
