

Webinar Registration

NSPA members in good standing may attend NSPA webinars.

Promotional Webinars

Promotional webinars are a benefit to Premium Supporting Members.

These webinars are available to NSPA members who are interested in learning more about a product or a service offered. It is against NSPA policy to allow competing companies to access promotional demonstrations.

NSPA will allow the presenter to review the names of registered organizations at least 48 hours before the start of the webinar.

Attendee contact information will not be shared with the presenter unless specifically requested by the attendee through an opt-in survey.
