Since 1958, Scholarship America has distributed $4.2 billion to over 2.5 million students, making us the largest private scholarship and student support organization in the nation.

Every Year

We award 104,000 students

Scholarships totaling $264 million

Through 13,000+ programs

Behind every number, fact, and figure is a student. An individual who has a name, a story, and a need. While we’re proud of our numbers, we’re even more proud of what they represent.

1:1 personal service provided to students and partners (through dedicated education experts who really care)

96% partner retention year over year (which speaks to our partnership mentality)

Student data is protected and never sold

The difference is really adding up.
