NSPA Photography and Video Consent

National Scholarship Providers Association may take pictures at events, meetings, conferences, workshops, etc., herein referred to as “NSPA Events”. “Content” refers to all text, photographs, images, illustrations, graphics, sound recordings, video, audio-video clips, and other such materials from NSPA Events.

This published policy is considered NSPA’s reasonable effort, to give notice to individuals attending NSPA events, of the intent to use said Content.

When you participate in NSPA events, photography, audio, and video recording may occur. NSPA reserves the right to use, release, publish, exhibit, or reproduce any photograph/video taken at an NSPA event, without the expressed written permission of those included within the photograph/video. NSPA may use the photograph/video in publications or other media material produced by NSPA including, but not limited to, brochures, websites, invitations, social media posts, Canvas announcements, grant applications, etc.

By agreeing to these terms, you are granting NSPA the ability to use, copy, modify, distribute, publicly display, publish, transmit, repurpose, and commercialize the Content in any and all media or form of communication whether now existing or hereafter developed, without obtaining additional consent, without restriction or notification, and without compensating you in any way.

To ensure the privacy of individuals, images will not be identified using full names or personal identifying information without written approval from the photographed subject. Any person not affiliated with NSPA, may not use, copy, alter, modify or otherwise reproduce in whole or in part, NSPA photographs, graphics, videography or other reproductions or recordings without advance written permission of an authorized designee from NSPA. Other individuals obtaining Content for their own personal use are not regulated by NSPA or their affiliates. Individuals doing so should obtain permission of those whom are represented in the Content.
By participating in an NSPA event, or by failing to notify NSPA in writing to the contrary, you are agreeing to release, defend, hold harmless and indemnify NSPA from any and all claims involving the use of your picture or likeness. You further release NSPA, its officers and employees, from any liability connected with the taking, recording, digitizing or publishing and use of interviews, photographs, computer images, video and/or sound recordings. By participating in the sponsored event as an attendee, you waive all rights you may have to any claims for payment/royalties in connection with any use, exhibition, streaming, televising, web publishing, or other publication of these materials, regardless of the purpose or sponsoring of such use, exhibiting, broadcasting, or other publishing irrespective of whether a fee for admission or sponsorship is charged. You also waive any right to inspect or approve any photo, video, or audio recording taken by NSPA or person/entity designated to do so by NSPA.

Absent a request by an individual to not be photographed, NSPA will not ask for any additional consent to use or make public an image taken at an NSPA Event. Finally, we are not responsible for the use or disclosure of any personal information that you voluntarily disclose in connection with the Content obtained and released by NSPA.

You have been fully informed of your consent, waiver of liability and release before entering an NSPA Event.
