

Does your school have a Super School Nutrition **Employee**???

If so, we want to hear about **him or her**.....

The School Nutrition Association has announced that May 1-5, 2017 is School Nutrition Employee Week. On May 5, 2017, the School Lunch Hero Day will be awarded..

School nutrition employees are often the unsung heroes of the school community. There are so many individuals in our state who do wonderful and amazing things for the students and staff; we're sure that every district has at least one very special employee like this!

SNA of Massachusetts would like to celebrate these "Super Heroes" by holding an essay contest describing your extraordinary food service employee. We would love to see letters from students, parents & administrators describing their favorite lunch employee.

So, brighten someone's day and please nominate your outstanding food service employee (**we can not accept group nominations**) by March 31, 2017.

Nominations may be:

- scanned and emailed to [s.pretola@schoolsofwestfield.org](mailto:s.pretola@schoolsofwestfield.org)
- mailed to Susan Pretola, School Food Services, 59 Court Street B10, Westfield Ma 01085

Essays and artwork should be presented on letter size paper only (8.5 x 11), describing why you think this employee is a "Super Lunch Hero". Please include the district name, school name, school address and (if possible) a photo of your nominee and grade level which this employee serves.

**SCHOOL LUNCH™  
HERO DAY**
