Visit www.projectbread.org/walk-for-hunger, click on
 “Join a Team” and join the “School Nutrition Association of MA” team today!

Let's show how a real TEAM accomplishes things! We all believe in feeding the hungry, so let's help our partners from Project Bread and the Food Banks from Greater Boston and Western Mass to feed the hungry of Massachusetts.

Not interested in participating in the full walk? That's OK! Participants will have the option every two miles to opt out and get a ride back to the starting line (which is also the finishing line).

Participants can also decide to donate money and not do the walk. Both options still allow you to be part of the School Nutrition Association team.

For more information, contact our office at info@schoolnutrition.info.

Let's show our state how committed SNA of Massachusetts is to Fighting Hunger!

Celebrate the 50th year walk or run for hunger on May 6, 2018 in Boston, MA & show your community support for the state as a whole

- Join the SNA of MA team and take part in feeding the hungry residents of Massachusetts by raising money through your donations or participation in the walk.
- Cost to participate in the walk is: \$25 at sign up
- Suggested donation is: \$10, but whatever you can afford is appreciated!

- After joining the team, you can email friends and family inquiring about a possible donation to the cause.
- Facts about Massachusetts hunger
 - 726,000 adults and children are food insecure
 - 287,000 households (or 1 in 10 homes) going without enough food at times throughout the year
- Last year, enough money was raised to fund 263 anti-hunger programs in about 100 communities across the state such as food pantries, farms, neighborhood centers, churches, and health care centers
 - Similarly, participants can donate money and not do the walk while still being a part of the SNA team in order to reach our goal of **\$1,000**.
 - If you register you will receive a t-shirt at check in
