

# Chapter Nominations and Leadership Identification Committee

## Preliminary Election Slate and Call for Petitions Announced

The South Carolina Chapter of the National Association of Social Workers is pleased to announce the following members for the positions indicated. The Chapter Committee on Nominations and Leadership Identification (CCNLI) has certified that the slate meets all of the Chapter's affirmative action goals and representational mandates.

Members wishing to have their name added to the ballot by petition have 30 days from the date of this mailing to submit a petition. To be successful a petition for a position elected by the membership statewide must include the signature and the printed legal name of 5% of the total chapter membership (5% of the membership). For a branch position, signatures of 5% of the total number of members of the branch are needed. These numbers can be obtained on request from the chapter office. Official petition forms are available from the chapter office and questions about the petition process may be addressed to Deborah Duvall of the CCNLI at [deborahduvall88@gmail.com](mailto:deborahduvall88@gmail.com). The written petitions must be received in the Chapter office by June 21. The final voting process will be published on the website on June 22.
