Individuals seeking credentialing in Nuclear Medicine, Radiation Therapy, or Radiography as a State Candidate with the South Carolina Radiation Quality Standards Association (SCRQSA) must complete the primary category examination administered by the American Registry of Radiologic Technologists (ARRT).

If you would like to register for this test please return the completed application with the information requested at the bottom of this form and a **Cashier's Check or Money Order in the amount of \$140 made payable to the ARRT to: SCRQSA at: P.O. Box 7515, Columbia, South Carolina 29202. Incomplete applications will be returned.**

After your application is processed you will receive an Examination Status Report and an Examinee Handbook. The Examination Status Report will identify a 90-day examination window during which you must complete the examination. The Examinee Handbook includes instructions for scheduling your examination at a date, time, and location that are most convenient to you and an outline of the examination content areas. Please allow 4-6 weeks for application processing.
