

## DHEC Facility Excellence Award

For the past several years DHEC has sponsored the Facility Award of Excellence programs. SCDHEC is again seeking to recognize those facilities that are striving for excellence in the operation of their plant(s); protection of the environment and meeting or exceeding customer's expectations. All facilities that have a NPDES or ND permit are eligible to submit an application for this award. An application is needed for each permitted facility. All information submitted will be used solely to determine eligibility of those facilities that should be recognized. You need to complete only the areas that apply to your system. Additional instructions and examples are on the application. Applications can be submitted electronically or hard copy. Applications can be obtained either electronically or hard copy from Henry Gibson or the Association office. All applications must be postmarked not later than **February 01, 2018**. Applications can be submitted electronically to [gibsonhe@dhec.sc.gov](mailto:gibsonhe@dhec.sc.gov). Information is for the previous year's activities.

All applications should be submitted to:

SC Department of Health & Environmental Control  
Bureau of Water  
ATTN: Henry E Gibson  
2600 Bull Street  
Columbia, SC 29201
