Tuesday July 12, 2016
Social hour begins at 5:30,
Dinner served at 6:30,
The Trestle Bakery (Upstairs) 308 Main St. Conway, SC
Sponsors: On Line Environmental-Jim Matthews
Clearwater Inc. - Rodney Edwards

Chairman's Column

The Waccamaw District held the last regular meeting on May 10, 2016 at El Cerro Grande in Surfside. Pat Ferguson from Romac Industries and Clinton Ladd from Price Marketing were our sponsors.

One of our speakers for the July meeting is Jim Matthews. For those of you who don’t know Jim is one of the foremost authorities in the state for information and training for operator certification. So if you are currently an operator trying to get another level of certification it would be good for you to attend. Rodney Edwards will also be in attendance. As most of you know Rodney’s company is the dealer for ISCO samplers.

I would like to remind everyone that the Waccamaw District has ample monies in the scholarship fund. We want to encourage anyone who is pursuing an endeavor in the water and wastewater field to help further their education to look into this. If we can be of help feel free to contact myself or Robert Perkins at Grand Strand Water and Sewer for further information.

The Waccamaw District is also planning a fundraiser to raise money for the scholarship fund this fall. It is going to be a skeet shoot to be held at Backwoods Quail Club in Georgetown on October 15. We will discuss this further at our July meeting.
