MAKE PLANS NOW FOR THE **2027 SCEC** AT THE MYRTLE BEACH CONVENTION CENTER!

Conference Dates: March 14-17, 2027

Reserve a spot NOW in the 2027 SCEC Exhibit Hall at the Myrtle Beach Convention Center. The dates for the show will be March 14-17, 2027. You may reserve as many 10' x10' spaces as you like for the 2027 SCEC ***right now*** for $100 per booth. Reservation fees are **non-refundable** and will apply to the total booth fee.

Your reservation fee may be charged to your credit card or paid by check. Once your reservation information has been received you will be contacted by our office with a confirmation, additional information and final contract. Your small deposit will guarantee you a spot in the 2027 SCEC Exhibit Hall.

The Exhibit Hall layout is available on the SCEC website (SCWATERS.org) for selection of your preferred booth locations. **Initial booth selections will be assigned based on the applications received by 10:59 am on Tuesday of the conference.** The initial booth assignment will be based on the priority points system. Preference for the booths remaining after the initial assignments will be processed on a first come, first serve basis. The priority points system is included. Please be aware that the layout is subject to change; you will be notified of any and all changes as they occur.

For discussion or interest in the Exhibitors Committee contact Benjamin Wallis, Xylem (bwallis@vaengineering.com).

For assistance with booth selection and payments contact Tiffany Avant at 803-785-0653 or by email at tiffany@scwaters.org.

The Water Environment Association of South Carolina and the South Carolina Section of the AWWA thank you in advance for your support of the 2027 South Carolina Environmental Conference and look forward to your participation!

ASSIGNMENT OF Booths: The Exhibit Booth Reservation Form and Agreement between Exhibitor and WEASC/SCAWWA (Association) is the only means by which an exhibitor may reserve space. Specific conditions of space assignment and deposits vary by conference. Each Exhibitor Contract contains exact amounts and details. **Please note the pricing for the exhibitor booths; the exhibits committee reserves the right to increase booth prices in an amount not to exceed 5% over the prices listed below:**

Regular (Green) spaces (10' x 10') - $1,400
Premium (Blue) spaces (10' x 10') - $2,000

The Association will assign exhibitor booths based on priority points. In the case that the Association does not conduct exhibitor booths for a specific conference the association must receive Exhibitor Space Reservation Form and Agreement between Exhibitor and Association by the space assignment date (see Exhibitor Contract for specific dates) to take advantage of priority points. Priority points are earned as follows:

- 1 point per past years (2005-2025 of exhibiting at SCEC (Max points 20)
- 1 point per each 2026 SCEC booth
- 1 point per each booth at 2025 Operator Conference, Laboratory Workshop or Industrial Workshop
- 1 point per year of membership in SCAWWA or WEASC (must be a current Member)
- 1 point for each 2025 quarter of SC Journal advertisement
- 1 point per 2025 conference or district sponsorship

Exhibitor's total priority points will be used for the next specific SCEC conference to determine Exhibitor's ranking for choosing booth location. Preferred booth location choices and booth separation of Exhibitor cannot be guaranteed by the Association. After the space assignment date the Association will assign exhibit space on a first-come, first-served space-available basis. The Association reserves the right to assign or reassign Exhibitor's booth space so that the arrangement of the exposition is in the best interest of all attendees and exhibitors.

Points will be submitted by exhibitor to the conference management exhibitors committee for verification. In the event of a tie between exhibiting companies a coin toss will determine order of selection.

Points are considered an asset of the exhibiting company. In the case of a merger or purchase, the purchasing company may use the higher points of the companies merged or acquired, thereby eliminating the lower points. Priority points cannot be combined.

Loss of priority points may occur if Exhibitor does not comply with the Agreement. If Exhibitor does not exhibit at SCEC for two consecutive years all accumulated priority points will be lost.

Exhibit Hall Changes

Please note that the large booths will not be available in 2027 due to construction scheduled with the Myrtle Beach Convention Center.
