Professional Emphasis Groups (PEGs): A Professional Emphasis Group (PEG) is a mini-networking group, or internal sub-group, within SDA. Each PEG has as its focus a different area of expertise and aligns with SDA’s certification program categories. In addition to networking, PEGs provide an opportunity to give members advanced information in their particular area(s) of interest. By selecting a PEG, you can then participate in our on-line Forum Discussion groups established for each PEG area.

Please select ONE PEG that interests you:
[ ] Project Management [ ] Finance [ ] Human Resources [ ] Marketing [ ] Office Administration

Committees: SDA offers the following standing national committees. Please check the committee(s) that you would be interested in learning more about nationally.

[ ] Awards [ ] Education/Programs [ ] Membership [ ] Public Relations
