

2020 San Diego SHRM Sponsorship Prospectus

San Diego SHRM offers countless opportunities to increase your visibility and provides invaluable networking with HR Professionals in San Diego County.

Who are our Members?

San Diego SHRM is the local affiliate chapter of the national Society for Human Resource Management (SHRM), which operates independently with our own unique membership. Established in 1945, San Diego SHRM is the most established HR society in San Diego County. The San Diego SHRM Community has provided human resource professionals with the resources they need to excel in their careers for 75 years.

San Diego SHRM has nearly 600 members, 84% of which are practicing HR professionals at all levels from companies of all sizes. 9% are Partner members which provide a product or service to HR practitioners. 7% are Student members.

Why Sponsor?

With over 4,000 individuals who receive our emails and a massive social media following, sponsors gain visibility to our entire network. Discover new opportunities to network and build relationships with San Diego County's finest HR Professionals.

Monthly educational programs average 80 attendees and membership mixers average 80-100, which gains your company exposure every month.

In 2019, we redesigned our Annual Conference into a two-day Legal + Strategic Insights Conference which was a great success with approximately 200 attendees.

San Diego SHRM Mission

To provide our members access to the SHRM Competency Model in a way that maximizes their ability to impact the success of their organization and to be the recognized voice of our Profession within our service area.

San Diego SHRM Vision

San Diego SHRM strives to be the recognized voice of the HR profession and the recognized authority on human resource issues within San Diego SHRM's service area, positively impacting workplaces and ultimately improving the bottom line for organizations throughout the service area.
