Target Audience

This meeting is designed for anesthesiologists and practitioners who specialize in anesthesia education.

About This Meeting

Topics for this meeting were selected by various methods. Suggestions for topics were derived from evaluations of the 2009 and other previous Spring and Fall Annual Meetings, the Annual Meeting Committee, Board members, reviews of the published literature with the highest impact on the specialty, and by soliciting suggestions from SEA members actively involved in anesthesia education.

The purpose of this meeting is to educate and share information that will enable anesthesiology practitioners to provide the highest level of education to further develop our field and improve patient outcomes.

CME Accreditation

This activity has been planned and implemented in accordance with the essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American Society of Anesthesiologists and the Society for Education in Anesthesia. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this educational activity for a maximum of 7 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Educational Goals

While attending this meeting, the attendee will:

1. Discuss future directions in medical education, and the implications for anesthesia educators.
2. Review examples of structural changes in medical student, resident, and fellow education programs in anesthesiology.
3. Discuss possible changes in individual anesthesia education programs that are consistent with national trends in medical education.

Commercial Support Acknowledgement

The CME activity is supported by educational grants. A complete list of supporters will be published in the course syllabus.

Program Information *(cont.)*

Needs Assessment

Topics for this meeting were selected by several methods. Suggestions for future topics were derived from evaluations of the 2009 and other previous annual meetings. Additionally, these suggestions were discussed by our authorities in the field and with educators who attended previous Annual and Board of Directors meetings.

Disclosure

The American Society of Anesthesiologists and the Society for Education in Anesthesia adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose and limitations of data and/or any discussion of any offlabel, experimental, or investigational uses of drugs or devices in their presentations.

Disclaimer

The information provided at the above CME activities is for continuing medical education purposes only and is not meant to substitute for the independent medical judgement of a physician relative to diagnostic and treatment of a specific patient's medical condition.

Resolutions of Conflicts of Interests

In accordance with the ACCME Standards for commercial support of CME, the American Society of Anesthesiologists and the Society for Education in Anesthesia will implement mechanisms, prior to the planning and implementations of CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

Special Needs

The Society for Education in Anesthesia fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact SEA at (847) 825-5586.
