Hoff Barry, P.A.**

Speakers will discuss the impacts of this ruling; how it might impact city budgets, what legislative remedies might result and how developers and cities might work together to ensure needed infrastructure improvements are made in an equitable manner.

- What the case was about and how this is different from Country Joe, Inc. Vs. City of Eagan.
- How this is different from sewer and water charges.
- What was decided and what wasn't decided.
- How cities can ensure that needed road improvements are made.
