Thank you for agreeing to write a letter of reference in support of an applicant for SER's Certified Ecological Restoration Practitioner (CERP) program. To find out more about the program, visit our webpage at [www.ser.org/certification](http://www.ser.org/certification).

1. References can be provided by peers, colleagues, and/or mentors who have direct experience with the applicant's restoration work.
2. Reference letters should be no more than 2 pages in length.
3. Reference letters are intended to provide additional detail about the character and expertise of the applicant. Please provide an accurate assessment of the applicant.
4. Explain how you know the applicant (i.e., how long and in what capacity).
5. Describe your overall impression of the applicant's work in ecological restoration including general knowledge, technical skills, and expertise. Examples may be provided to clarify or support the overall impressions.
6. Make sure to sign the letter (scanned signature or electronic signature are acceptable).
7. Submit the letter using the link provided.

Please click here to upload a document for ██████████ :
