## **SAVE THE DATE!**

**2018 SES Conference "Dynamic Diversity:  
Expanding the Future of Standardization"**

August 6 - 9, 2018

Nashville, Tennessee

Keynote Speaker: Katharine E. Morgan,  
President of ASTM International

**The SES Leadership Development Committee is seeking nominations for the following SES Board positions that will expire in 2018**

- Treasurer (officer)
- Publications Council Director - incumbent eligible for a second term
- Conference Program Council Director - incumbent eligible for a second term
- Marketing Council Director - incumbent eligible for a second term
- Technical Council Director

All elected Society Officers and Council Directors assume their office at the conclusion of the SES annual conference. Nominations are being sought to fill these offices for the two-year term (2018-2020). Nominations and the election to each eligible office shall be in compliance with the SES By-Laws, Article B5: *Nominations and Elections*. The Secretary, Treasurer, and other members of the Board of Directors, except the Executive Director, may serve a maximum of two consecutive full two-year terms.

This notice serves as the initial call for candidates. Any current SES member having an interest in any of these open board positions is encouraged to contact the chair of the Leadership Development Committee at [chris.carnahan@aia-aerospace.org](mailto:chris.carnahan@aia-aerospace.org) or [admin@ses-standards.org](mailto:admin@ses-standards.org) no later than January 31, 2018.

After consideration of the candidates, the Leadership Development Committee Chair shall submit to qualified voters, four months prior to the annual conference, by email or by announcement in the official publication of the Society, a list of nominations containing at least one candidate for each Society Office, if applicable, and one candidate for each Council Directorate, if applicable, to be filled.

### **New 2018 SES Student Scholarship Program!**

The Society for Standards Professionals has established a Scholarship Program to support students involved in the use of standards in their academic curriculum. We know that each new generation of graduating students holds the potential for helping us achieve our mission of increasing awareness and use of standards.

Individual or Organization members may support the SES Scholarship Program. Underwriters Laboratories ([www.ul.com](http://www.ul.com)) and National Electrical Manufacturers Association (NEMA) ([www.nema.org](http://www.nema.org)) are the sponsors for 2018. For more information about the scholarship or inquiries on scholarship funding opportunities, please contact [admin@ses-standards.org](mailto:admin@ses-standards.org).

### **Newly Certified Professionals**

The Society congratulates the following individuals who have successfully certified or recertified themselves as AStd or CStd professionals:

- Donna Mizusawa, AStd - December 2017
- Jennifer Moyer, CStd - January 2018

The Certification Committee encourages all certified professionals to recertify and for all SES members to consider joining the committee that "leaves a mark on you!"

### **Would you like to get more involved with SES?**

SES is looking for new volunteers! The benefits of volunteering with SES include additional networking opportunities, points toward your CStd, and leadership opportunities.

### **SES Refer A Friend (RAF) Program**

---

Refer business associates or friends who you think can benefit from a SES membership, and be rewarded. Through the SES Refer a Friend (RAF) Program, SES rewards your efforts to promote SES and recruit new Members. Entering is easy. Complete the "[Refer a Friend](#)" section on the SES Website under My Profile and we'll take care of the rest. The SES website will track the members who have joined via your invitation. [Click here for program details.](#)

### **Now Available!! SES 3: 2016, Recommended Practice for Joint Standards Development**

This recommended practice provides guidance to Standards Development Organizations for the development of Joint Standards by outlining the key components of a Joint Standards Agreement and a recommended process for managing the development of Joint Standards. [Click here for more information on SES 3 and to purchase your copy!](#)

### **Subscribe now to receive the latest news from the U.S. standardization community!**

ANSI's [What's New?](#) is a weekly email newsletter distributed to ANSI members and constituents free of charge. Sent every Monday, the newsletter includes:

- Synopses and links to the most recent news from ANSI impacting standards and conformance stakeholders
- Information on ANSI events, as well as ISO, IEC, and other highlighted activities of interest to the community
- Access to ANSI publications and web resources
- Updates on U.S. Federal Register notices related to standardization

Subscribe to ANSI's [What's New?](#) today. You can also follow ANSI on [Twitter](#), [Facebook](#), [YouTube](#), or [LinkedIn](#).

### **Have you downloaded the SES E-Reader APP?**

SES - The Society for Standards Professionals has released a Mobile App developed to digitally distribute the Society's content directly to your device as soon as it is available. The Mobile App is available for Android, Apple, and Windows devices via their respective application stores. The free-of-charge Mobile App hosts complimentary content including a summary of SES activities, the SES monthly member e-newsletter and the SES Annual Conference Program. Additionally, log in to your [SES Member account](#) to access to the members-only content and seamless access to SES' Journal Standards Engineering, and other member content.

Download the SES E-Reader App
