

NEWS RELEASE

2020 SES Student Scholarship Program Winner

FOR IMMEDIATE RELEASE

14 July 2020

SES - The Society for Standards Professionals announces Tyler Kleinsasser as the 2020 SES Student Scholarship Program recipient.

The SES Student Scholarship program recognizes the important role that students play in supporting the standardization industry and increasing awareness of and use of standards. Students must be enrolled in a full-time undergraduate or graduate University or College program and use standards in their school curriculum.

The SES Student Scholarship program is supported with help from our 2020 sponsors, Underwriters Laboratories (www.ul.org) and the Institute of Inspection, Cleaning and Restoration Certification (www.iicrc.org).

"Underwriters Laboratories has been a proud sponsor of the SES Student Scholarship program since its inception," said Sonya Bird, Director of International Standards at Underwriters Laboratories. "It is always so rewarding to recognize students such as Tyler Kleinsasser who show an interest in and understanding of the importance of standards."

"IICRC is honored to co-sponsor and support the SES Student Scholarship for 2020. Tyler Kleinsasser has clearly demonstrated excellence in the use of standards in academic curriculum, and we wish him every success moving forward," said IICRC Standards Director, Mili Washington.

The SES and its Board congratulates Tyler on receiving this distinguished award. We hope his dedication to the world of standardization continues throughout his career and wish him great luck in his future endeavors.

About SES

SES - The Society for Standards Professionals is a not-for-profit professional membership society dedicated to furthering the knowledge and use of standards and standardization. The Society's worldwide membership includes standards developers, users, managers, and information specialists from industry, government, standards developing organizations, trade associations, and academia.
