

Southeastern Society of Plastic and Reconstructive Surgeons

2026 *NEW* Innovation Grand Prix Competition Application Guidelines

The Southeastern Society of Plastic and Reconstructive Surgeons (SESPRS) invites inventive minds to submit their projects for a chance to compete for two prestigious awards of **\$10,000** and **\$5,000**. Applicants must be current **Candidate or Active SESPRS members**.

Awards will be presented during the **Innovation Grand Prix Competition** at the **2026 Annual Meeting on Wednesday, June 17th**, where the top innovation projects will be showcased. Finalists will be selected to present their work in person and will engage in a dynamic Q&A with the SESPRS Innovation Committee and attendees. Please note that participation on the panel requires **in-person presentation**.

The deadline to submit a completed application is **February 28, 2026**. Following submission, an initial review will identify the leading applicants who will advance to the live panel. SESPRS will also provide each finalist with a presentation coach to assist in preparing and refining their slides.

Please email your completed application along with your current CV or biosketch to: **Susan Russell – Srussell@sesprs.org**

If you require assistance feel free to call the Society office: (435) 901-2544
