Program Objectives:

At the completion of this CME activity, registrants will be able to:

- Identify and review autologous breast reconstruction techniques,
- Review prosthetic based breast reconstruction techniques for breast implant reconstruction,
- Identify techniques in challenging breast reconstruction surgery to enhance outcomes,
- Review the most up to date data related to breast implant safety,
- Discuss strategies in revisional aesthetic and reconstructive breast surgery,
- Improve the strategies in management of breast augmentation and mastopexy to maximize results and minimize complications,
- Discuss breast reduction surgery to prevent complications and optimize patient outcomes,
- Identify and discuss hot topics in breast surgery.

The 2027 Honorary Hartrampf Lecture:

Maurice Nahabedian, MD – "A Lasting Legacy: The TRAM Flap and the Evolution of Autologous Breast Reconstruction"

The 2027 International Scholars Program:

The Southeastern Society of Plastic and Reconstructive Surgeons provides funding to different countries each year to sponsor the travel and registration expenses to the top Plastic Surgery Chief Residents in that country. This Southeastern honor provides them with a unique international educational outreach. The 2027 International Scholars are invited from Peru.

The Online 2027 Breast Surgery Symposium:

The symposium is offered in its entirety via on-line streaming video of the live surgery as well as the lectures to be viewed from the location of your choice. Only one login per user on one device at a time is permitted. Live questions can be received from around the world to Atlanta for immediate answers from the faculty direct to you over the Internet. The entire event is archived for three months following the live meeting and may be reviewed during that time, if purchased on-line. CME credit is available for registered on-line attendees who view the meeting **LIVE**. For more information contact: srussell@sesprs.org

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Plastic Surgeons (ASPS) and the Southeastern Society of Plastic and Reconstructive Surgeons (SESPRS). The ASPS is accredited by the ACCME to provide continuing medical education for physicians.

Designation

The American Society of Plastic Surgeons (ASPS) designates this live activity for a maximum of **16.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the **16.25** credits, **2** have been identified as applicable to patient safety. ▲

Special Needs

Any special needs or challenged requests should be submitted to the SESPRS office by November 15, 2026.

Registration Fees and Cancellation Policy

Resident registration fees are complimentary with a letter submitted with their registration from their plastic surgery program director. Physicians in their first and second year after residency are eligible for the New Physician rate. Physicians who have more than two years of practice and are not members of SESPRS/ASPS/ASAPS/ISAPS are eligible for Guest Physician rates.

The registration fee for a spouse/companion includes admittance to meals and social functions. Spouses/companions wishing to attend the symposium presentations must register under the "Office Personnel or Nurse" category.

Please register early. Full refunds minus a \$50 processing fee will be considered if written notice of cancellation is received by October 15, 2026. No refunds will be given after October 15, 2026.
