

# SFPE EUROPE FIRE SAFETY ENGINEERING CONFERENCE & EXPO

22-23 MAY 2019  
MALAGA, SPAIN

Barceló Malaga Hotel Calle  
Héroe de Sostoa, 2, 29002

The 3rd SFPE Europe Conference on Fire Safety Engineering will be held in Malaga, Spain, 22-23 May 2019. The SFPE conference is being hosted by the SFPE Spanish Chapter with support from our SFPE European Chapters.

SFPE's conferences have established a reputation globally as the premier events for keeping abreast of advancements in fire safety engineering. In 2018, SFPE hosted the second European conference in Rotterdam, The Netherlands, which drew over 180 fire safety leaders from the European continent.

Fire safety engineering is growing rapidly in many European countries. The SFPE European Chapters has been addressing the regional needs to facilitate greater networking, collaboration, and exchange among fire safety engineering professionals as well as a pursuit of technical knowledge and education.

# CLOSING RECEPTION SPONSORSHIP

**\$5,000 USD**

This program will celebrate Women in Engineering by having several female practicing fire safety and fire protection engineers each give a short 5-minute presentation around their careers and interests as it relates to their chosen profession, followed by a closing cocktail reception. The presentations will follow the IGNITE talks format, which is a series of speedy presentations where each presenter gets 20 slides that automatically advance every 15 seconds. The result is a fast and fun presentation which lasts just 5 minutes.

This sponsorship includes two full conference registrations. Sponsors will be recognized on the website, program, and with signage at the reception. We also welcome sponsors of the program to put forward one of their female colleagues to present and be a part of this fun program!
