A conference call was held for the executive committee of the Society of Information Management, South Florida Chapter, on 6/3/2010, 3:05 pm.

Dianne Della-Pietra, Program Director
Marilyn Guenot, Membership Director
Elaine Collett Buza, Secretary

Call to Order

James Osteen, President, called the meeting to order at 3:05 pm. The meeting, having been duly convened, was ready to proceed with business.

Discussion

The following item was discussed:

1. Possibility of having SIM International conduct a Taste of RLF (Regional Leadership Forum) for South Florida SIM. This will be a four-session and will require the reading of a text prior to the session.

This session allows SIM International to promote the full program which requires significant time and travel and is often difficult for full time executives to balance with their other responsibilities.

Marilyn will send an email to all past South Florida SIM participants to see if there is sufficient interest in conducting this session either at the September 23, 2010 regular meeting or at a special meeting to be scheduled in the Fall, 2010. We will need at least 24 confirmed participants and a sponsor to provide snacks.

Jim will contact Jackie Zelman to see if she will allow Ivette Reinoso-Hernandez to receive and tally email responses.

Other topics for which interest has been expressed are project management and security.

If sufficient interest is not generated for the Taste of RLF, we will approach ESRI in regard to the September meeting.

Adjournment

There being no further business to come before the meeting, the meeting was adjourned.

Respectfully submitted,

Elaine Collett Buza
