

The 2018 SIM IT Trends Study is Live!

Chapter Challenge Standings Show Close Competition

In the first 3 weeks of data collection, **345 SIM members completed the IT Trends Study Questionnaire**. This is a great start, but it's **only 8.7% of SIM members**. If you haven't yet completed the survey, now is the best time to do so and help your Chapter win cash and priceless bragging rights in the Chapter Challenge Contest. Here are the **initial standings for this year's Contest**:

The IT Trends Research Team presented at SIM Connect Live using nearly 40 years of IT Trends Study data. It is one thing to “know” that IT has changed the world, but it’s quite another to see the magnitude graphically. If you missed us at the conference, **our presentation materials are [here](#)**.
