

Act Now - 5 Days Left To Finish the IT Trends Study Survey!

Almost 1000 SIM members have completed the 2018 SIM IT Trends Study survey and the research team would like to offer our **sincerest thanks** to those who have participated. For the remaining 3,000 SIM members who have not yet completed the survey, **we need more responses and time is running out. The survey will close at 11:59 PM on Monday, June 11** so be sure to access the questionnaire and participate by clicking on any IT Trends banner on simnet.org or the link emailed to you.

As we close in on the finish line, the Chapter Challenge Contest competition is fierce. **The South Florida and Toronto Chapters are close to joining Minnesota in the Hall of Fame** and many other chapters are in contention for winning cash prizes.
