Re: Notification of Retirement

Dear Chief Justice Wilson:

Please accept this letter as my notification of retirement as Associate Circuit Judge of Division 24 of the Thirty-First Judicial Circuit of Missouri. My last day of service will be May 15, 2023. At the time of my retirement I will have served 23 years on the bench.

I would like to thank you and the other members of the Supreme Court for allowing me to serve on the Circuit Court Budget Committee for over 15 years. The members of the CCBC with which I served are examples of the finest and brightest members of Missouri's judiciary.

I would also like to thank the members of the Missouri Bar and my fellow judges of the Thirty-First Circuit. Each and every one of them has made my judicial career rich and rewarding.

Finally, and most importantly, I would like to thank the citizens of Greene County. Without their confidence and support I would not have had the continued opportunity to serve as a judge. I will never forget the responsibility they placed in me.

Yours very truly,

Mark A. Powell
