Dear SRNT Global Health Network Members,

SRNT's Global Health Network has received some great nominations for co-chair and other leadership positions as discussed below. We're soliciting any additional nominations to make sure everyone in the Network has the opportunity to get involved.

We would like to establish the new co-chair prior to our annual Network meeting at SRNT on March 2 in Chicago. If you are interested, please send your CV along with a paragraph summarizing your experience and interest in global tobacco control. If you would like to nominate someone, we will contact them to solicit their CV and the related information. The current co-chairs will forward recommendations based on credentials, experience, and interest to the incoming President for a decision.

At the Network meeting, we will also be discussing other positions that we would like to establish and fill. These might include a secretary, new members of our advisory committee, and leaders and members of sub-committees (e.g., communication, capacity building). If you are interested in any of these positions, please let us know by emailing [Carla Berg](mailto:Carla.Berg@srnt.org) by February 10th.
