

SRNT
EUROPE

Dear SRNT Members,

Abstract and symposia submissions to the SRNT Europe 17th Annual Conference are now open. The conference will be held on September 8-10, 2016, at the Purkyně Institute in Prague, Czech Republic.

SRNT-E invites submissions for free oral/poster communications as well as symposia. The abstract submission system is open as of Monday, **February 15, 2016**.

In order to submit a symposium, one overarching abstract and four separate ones (one for each of the lectures within your symposium) are required. Click [here](#) for further information.

The **deadline** for submissions is Sunday, **May 1, 2016**.

SRNT-E encourages submission of abstracts describing cutting-edge research in nicotine and tobacco. Abstracts should summarize empirical research findings that have not been published or presented elsewhere before the meeting. All abstracts will be evaluated on the basis of scientific merit by peer review. The SRNT-E Program Committee will make decisions regarding acceptance of submissions and notify corresponding authors at the beginning of July.

Please note that abstracts describing "work in progress" will not be considered for program inclusion, nor will abstracts that do not present empirical findings. Funding information as well as conflict of interests is required for all submissions. Click [here](#) to register.

Four merit-based **travel awards** will be available to members of SRNT Europe to support attendance at the SRNT Europe 2016 annual meeting in Prague, the Czech Republic. The awards will include an award of **750 Euros**. Applicants must be current members of SRNT Europe and must be presenting at the meeting (either oral or poster presentation). Two awards will go to **early career researchers** and another two awards will go to attendees from European countries where increased tobacco control research output should be encouraged (namely **Bulgaria, Estonia, Latvia, Lithuania, Romania, Slovakia, and Slovenia**) or **World Bank low or lower-middle income countries**. Further information can be found at the conference [website](#).
