

BALTIMORE HILTON HOTEL FEBRUARY 21-24

- **Exhibitor Information • 2018 SRNT Annual Meeting •**
- **February 21-24 • Hilton Baltimore Hotel, Baltimore, Maryland, USA •**

Meeting Dates

Meeting Dates: February 21-24, 2018

Exhibit Dates: February 22-23, 2018

The Society for Research on Nicotine and Tobacco is dedicated solely to the study of nicotine and tobacco worldwide. SRNT prioritizes nicotine and tobacco research, funding sources for that research, public policy relating to smoking and reimbursement issues in a changing healthcare environment.

Mission Statement

The mission of the Society is to stimulate the generation and dissemination of new knowledge concerning nicotine in all its manifestations — from molecular to societal.

What is the 24th Annual Meeting?

The 24th Annual Meeting is a four-day event that provides attendees with an opportunity to exchange knowledge regarding research in the field of nicotine and tobacco use among our members specializing in this field. The meeting program seeks to provide the research community with the knowledge regarding the most recent trends and research in the field of nicotine and tobacco use.

The Exhibitor Showcase is designed to update our members' knowledge of products, information services, literature and equipment pertinent to the field of nicotine and tobacco use. The goal of the exhibit area is to enhance the product education of the attendees. The exposition offers an unmatched opportunity for commercial companies to reach the specialty market of researchers and practitioners who purchase their products and services.

Audience

Attendees include researchers and academics representing all disciplines within the field of nicotine and tobacco research including clinical, basic science, and public health policy. The Annual Meeting attracts participants from over 40 countries worldwide.

Benefits of Exhibiting

Why should your company choose to exhibit at the 24th Annual Meeting?

- You will reach the largest audience of researchers specializing in nicotine and tobacco use in one place at one time. Place your company name in front of this specialty audience of over 1,000 healthcare professionals and researchers.
- Build and expand your brand awareness with our audience of nicotine and tobacco researchers.
- The program materials will list each exhibiting company's contact information and product descriptions and will be distributed to each attendee.
- The economical and effective atmosphere of a trade show allows you to make many more contacts than personal sales calls.
- Refreshment breaks will be held in the exhibit area, providing your company with uninterrupted time to visit with attendees.

Installation of Exhibits

Wednesday, February 21, 2018

12:00 noon–3:30 p.m. (subject to change)

Exhibit Hours

Thursday, February 22, 2018

SRNT Policy on Exhibitors at its Annual Meeting

SRNT's Annual Meeting is a scientific conference presented for nicotine and tobacco research scientists.

SRNT will consider applications from vendors (government agencies, non-profit organizations, and for-profit organizations) for its Exhibition that:

- produce a product that may be used by the broad scientific community for accepted research practices;
- produce US Food and Drug Administration (FDA) approved treatments for tobacco dependence;
- publish peer-reviewed research or other information that supports the work of the scientific community;
- represent government or other funding agencies; or
- engage in business that supports SRNT's vision to understand and treat nicotine and tobacco dependence and advance tobacco control with the ultimate goal of eradicating the global tobacco epidemic.

SRNT will not accept vendors that:

- are owned by or directly related to companies within the tobacco industry;
- produce products that are not evidence-based treatments for tobacco dependence;
- produce tobacco dependence treatment products that are not regulated by the FDA; or
- engage in business that is in conflict with SRNT's vision to understand and treat nicotine and tobacco dependence and advance tobacco control with the ultimate goal of eradicating the global tobacco epidemic.

Vendor applications that are not addressed by the criteria above will be reviewed on a case by case basis, using SRNT's mission and vision to guide the decision-making process. If questions arise, documentation proving that a company is not affiliated with the tobacco industry may be required.
