

## Election Process

The election will be completed through ballots distributed in the Annual Meeting package mailed to each owner. Results will be announced at a virtual informational meeting October 17, 2020. The Annual Meeting package will be sent to all members around August 28, 2020. The package will include candidate resumes, the 2020 Budget, and a ballot along with voting instructions.

Because of Covid restrictions there will not be a Candidates Forum this year. As an alternative, each candidate has been invited to prepare a short video introducing themselves and responding to a few questions. These videos will be available on the website in early September.
