Reason for Seeking Board Position:

It has been my privilege to serve on the ACC for the last four years and while doing so I have had the pleasure of meeting many of you throughout the community. One conversation topic that almost always arises in those meetings is your concern about change both within St. James and beyond its boundaries. Like you, I am concerned about the changes and while I want to see St. James remain the premier community that it is, I also want to see us adapt appropriately to the changes and challenges that lie ahead. If elected, I will be in a position to share what I have learned on the ACC and from our neighbors with fellow Board members to help move St. James towards the future in ways that most benefit us all. Thank you for your consideration and your vote.
