

CA-AM Requirements

- ASAP member in good standing
- At least three years of alliance management experience
- Purchase of CA-AM Exam Prep Course ([click here for purchase options](#))

Exam/Workshop Details

- Exam is un-proctored and administered online.
- When a member purchases the eLearning CA-AM option, the workshop can be taken in one sitting or over a period of 8 weeks. Takes an average of 3.5 hours to complete in one sitting.
- The self-paced course, exam, and access to the eBook must be completed within 8 weeks from the time of purchase. Within the course, instructions and a link will be given to register for the CA-AM exam, at which point there is a 15-day window to complete the exam.
- When a member takes a face to face CA-AM exam preparation workshop, they will have a 30-day window following that workshop to complete the exam.
- The CA-AM exam takes an average of 90 minutes to complete in one sitting.
- Individuals have four attempts to rewrite the CA-AM exam to achieve a passing score.
- The course, exam, and access to the eBook must be completed within 8 weeks from the time of purchase.
- You may purchase a 4-week extension to all resources included in the CA-AM Exam Prep and Exam Bundle for \$24.
- The exam is experiential in nature—questions appear to have more than one right answer, but there is only one "best" answer.
- Consists of 85 multiple choice questions.
- Test takers are scored on 75 of the 85 questions.
- A score of 59 is required to pass.
