

## **ASAP Certification**

The ASAP alliance management certification program offers members the opportunity to demonstrate their mastery of core alliance skills and the management of all forms of collaborative business relationships.

Participating in ASAP's CA-AM Exam Prep Workshop is a requirement for becoming certified. We offer a variety of options for its members to participate:

1. Face to Face Workshop
2. Virtual CA-AM Exam Prep Webinar
3. Self-paced eLearning Workshop
4. TE-AM Training Workshop

[Click here](#) for a detailed description of the CA-AM Prep Workshop and options.

Once you have decided on the best prep option you can register for it by going to the "[Exam Prep Options](#)" in the **Certification** tab in the red toolbar on the ASAP **Home** page. There you will find registration links.

Please note : Virtual CA-AM Exam Prep Webinar is customized for an organization to prepare an alliance team. Contact Lori Gold, director of member services for more details at +1 781-562-1630 ext 203 or [lgold@strategic-alliances.org](mailto:lgold@strategic-alliances.org)

### **How do I register for the CA-AM exam?**

The CA-AM exam is included in the cost of the CA-AM Exam Prep Workshop. You must register for the course to be able to access the exam.

### **How long is certification good for?**

Certification is good for three years

### **Do I need to do anything to maintain my certification?**

Six renewal/qualification points must be earned over the course of three years. Current members with certification status will automatically receive points after registering and participating in ASAP Netcast Webinars, Chapter Events, and Conferences. Please visit "[Renewal & Eligibility](#)" in the certification tab to view the criteria and guidelines for earning points

### **How do I submit certification renewal points that I have earned?**

You can submit renewal points electronically. To view instructions on how to submit points electronically, [click here](#).
