ASAP Job Board

ASAP has a Job Board for both organizations looking to post positions and individuals seeking jobs.

ASAP Members are eligible for substantial discounted rates to post jobs. Please contact Lori Gold, director of member services lgold@strategic-alliances.org for discount codes.

Posting a Job?

Click on Resources on the red toolbar on the ASAP Home page then ASAP Job Board from the drop down menu.

- Click on the Employers tab at the very top of the Job Board screen
- If this is the first time you are posting a job you must create a new account. If you already have a Job Board account you must log in.
- Select Post/Create a Job.
- Fill in all appropriate fields. Keep in mind that the more information you provide about the position, the better response you will receive from applicants.
- Please consider adding CA-AM or CSAP certification preferred as a criterion for the position. This way you know applicants providing this certification have an alliance management skill set.
- At bottom of page, click “post job.”
- Review/Finalize your order. Just below the Order Summary, there is a box to enter a coupon code.
- Click add coupon; this should change the balance due.
- Follow the remaining instructions to post your job.

Looking for a job?

Click on Resources on the red toolbar on the ASAP Home page then ASAP Job Board from the drop down menu.

- Click on the Job Seekers tab at the very top of the Job Board screen.
- If this is the first time you are using the Job Board to look for a job you must create a Job Seekers Account. If you already have a Job Seekers Account you must log in.
- Once logged in you can begin search of posted jobs
