

October 1-3, 2018, Boulder, Colorado

Workshops/Sessions

MONDAY October 1

BIOINTERFACE WORKSHOP

Theme:

3D Printing in Medical Devices

Co-Chairs: Angela DiCiccio

Verily Life Sciences

Dan Gostovic

Thermo Fischer Scientific

TUESDAY October 2

BIOINTERFACE SYMPOSIUM

Session 1 Topic:

Tissue Engineering and
Regenerative Therapies

Co-Chair: Rob Diller

Axolotl Biologix

Roy Biran

W.L. Gore & Associates

Session 2 Topic:

Neurological Devices

Chair: Tim Becker

Northern Arizona University

Session 3 Topic:

Adhesion of Soft Tissues

Chair: Terry Steele

*Nanyang Technological
University*

Session 4:

Point Counterpoint Debate

WEDNESDAY October 3

BIOINTERFACE SYMPOSIUM

Session 5 Topic:

Metallurgy

Co-Chairs: Mallika Kamarajugadda,

Medtronic, plc

Siobhan Carroll, *G. Rau Inc.*

Session 6 Topic:

Metallic Devices

Co-Chairs: Mallika Kamarajugadda,

Medtronic, plc

Siobhan Carroll, *G. Rau Inc.*

Session 7 Topic:

Bioresorbable Materials

Chair: Norman Munroe

Florida International University

Session 8 Topic:

Surface Functionalization and
Thin Film Coatings

Co-Chairs: Daniel Higgs

ALD Nano Solutions

Lijun Zou

W.L. Gore & Associates

2018 Call for Abstracts

Abstract Guidelines

ELECTRONIC ABSTRACT SUBMISSION

Authors are encouraged to submit the [online submission form](#) by April 6, 2018.

Unlike most Academic symposia, full disclosure of materials, methods, and funding sources is encouraged but NOT required so that presenters may speak about their latest work before it is published in full detail elsewhere.

Accepted one-page abstracts may be revised through April 6, 2018 and will be published on the BiolInterface 2018 website that is only accessible to registered attendees. Please submit one form per abstract submission.

Submit only ONE abstract for each presentation; do NOT submit multiple copies of the same abstract, do NOT submit in blinded format, and do include your name, your address and e-mail address on any submitted abstract. Please indicate if you are submitting an oral or poster presentation.

FAILURE TO PRESENT

The presenting author is expected to present the paper. Should an emergency situation occur at the time of your presentation at BiolInterface 2018, please notify the Chair of your session as soon as possible. It is the presenting author's obligation to ensure that the abstract is presented.

PRESENTER REGISTRATION

Presenting authors MUST register and pay to attend the event. If registration is not received by August 1, 2018, the presentation will be removed from the program. Online registration will be available on the Surfaces in Biomaterials Foundation website soon.

NOTIFICATION

Notification of acceptance or rejection will be e-mailed in early April. The final selection of abstracts for presentation and placement of accepted abstracts in the program format will be made by the Program Committee.

TITLE

Type the abstract title in upper and lower case letters. Use a concise and descriptive title.

ABSTRACT BODY

The one-page abstract needs to address how the work described relates to the biointerface.

Abstracts accepted for podium presentation will be provided 15 minutes for didactic presentation, followed by 5 minutes for discussion. The nature of the multiple session format makes it imperative that these time limits be strictly observed by all participants. Audio-visual includes a single LCD projector, screen, podium and laptop. Your presentation must not include animation or sublinks to other programs.

All abstracts are due by April 6, 2018
