This house was built in 1896 for W.A. Whittier, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

4. Mullady House • 731 High Avenue (1896)

This house was built in 1896 for T.J. Mullady, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

5. Hamilton-Bailey House • 1315 Pearl Street (1897)

This house was built in 1897 for W.H. Hamilton, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

6. Henry Pond House • 827 Pearl Street (c. 1897)

This house was built in 1897 for H. Pond, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

7. Morrison-Brooks House • 899 Pine Street (1897)

This house was built in 1897 for J.H. Brooks, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

8. Issac-vizcaino House • 434 Pearl Street (c. 1875)

This house was built in 1875 for J. Vizcaino, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

9. Burger-Booth House • 321 Spruce Street (1897)

This house was built in 1897 for J. Burger, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

10. LaBorde House • 3114 Pearl Street (1897)

This house was built in 1897 for W.A. LaBorde, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

11. The Boulevard Boulders • 3100 11th Street (1897)

This house was built in 1897 for T.J. Mullady, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

12. Dougall-Mihalkhouse House • 1007 Pine Street (c. 1875)

This house was built in 1875 for J.H. Dougall, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

13. Cafe Rio • 322 Pearl Street (1897)

This house was built in 1897 for J. Burger, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

14. Whittier-Holmes House • 641 High Avenue (1896)

This house was built in 1896 for W.A. Whittier, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

15. Mercedes Bank • 1326 Pearl Street (1896)

This house was built in 1896 for W.H. Hamilton, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

16. Buchanan-Brock House • 322 Pearl Street (1897)

This house was built in 1897 for J. Buchanan, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

17. Avenue House • 413 Pearl Street (1899)

This house was built in 1899 for J. Armstrong, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

18. Taft-Tippett House • 43 Pearl Street (1896)

This house was built in 1896 for J.H. Taft, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

19. Lowry House • 1121 Pearl Street (1906)

This house was built in 1906 for J. Lowry, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

20. The Armory • 934 Pearl Street (1898)

This house was built in 1898 for J. Armory, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

21. Fire Station No. 1 • 650 Spruce Street (1898)

This house was built in 1898 for J. Fire, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

22. St. John's Episcopal Church • 400 11th Street (1899)

This house was built in 1899 for J. John, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.

23. Bunsen House • 653 11th Street (1899)

This house was built in 1899 for J. Bunsen, a local contractor. It is a fine example of the Queen Anne style with its wrap-around porch and unusual wrap-around (!) attic dormer. The house was added to the National Register of Historic Places in 1986.
Boulder was but populated by miners who flocked to the area when gold was discovered in Boulder Canyon. The city's beginning dates back to February 10, 1859, when a group of foresighted settlers organized the Boulder City Town Company.

In 1871, the town was incorporated as the City of Boulder.

In 1873, a smelter was established.

In 1874, the town was incorporated as the City of Boulder.

In 1875, the town was incorporated as the City of Boulder.

In 1876, the town was incorporated as the City of Boulder.

In 1877, the town was incorporated as the City of Boulder.

In 1878, the town was incorporated as the City of Boulder.

In 1879, the town was incorporated as the City of Boulder.

In 1880, the town was incorporated as the City of Boulder.

In 1881, the town was incorporated as the City of Boulder.

In 1882, the town was incorporated as the City of Boulder.

In 1883, the town was incorporated as the City of Boulder.

In 1884, the town was incorporated as the City of Boulder.

In 1885, the town was incorporated as the City of Boulder.

In 1886, the town was incorporated as the City of Boulder.

In 1887, the town was incorporated as the City of Boulder.

In 1888, the town was incorporated as the City of Boulder.

In 1889, the town was incorporated as the City of Boulder.

In 1890, the town was incorporated as the City of Boulder.

In 1891, the town was incorporated as the City of Boulder.

In 1892, the town was incorporated as the City of Boulder.

In 1893, the town was incorporated as the City of Boulder.

In 1894, the town was incorporated as the City of Boulder.

In 1895, the town was incorporated as the City of Boulder.

In 1896, the town was incorporated as the City of Boulder.

In 1897, the town was incorporated as the City of Boulder.

In 1898, the town was incorporated as the City of Boulder.

In 1899, the town was incorporated as the City of Boulder.

In 1900, the town was incorporated as the City of Boulder.

In 1901, the town was incorporated as the City of Boulder.

In 1902, the town was incorporated as the City of Boulder.

In 1903, the town was incorporated as the City of Boulder.

In 1904, the town was incorporated as the City of Boulder.

In 1905, the town was incorporated as the City of Boulder.

In 1906, the town was incorporated as the City of Boulder.

In 1907, the town was incorporated as the City of Boulder.

In 1908, the town was incorporated as the City of Boulder.

In 1909, the town was incorporated as the City of Boulder.

In 1910, the town was incorporated as the City of Boulder.

In 1911, the town was incorporated as the City of Boulder.

In 1912, the town was incorporated as the City of Boulder.

In 1913, the town was incorporated as the City of Boulder.

In 1914, the town was incorporated as the City of Boulder.

In 1915, the town was incorporated as the City of Boulder.

In 1916, the town was incorporated as the City of Boulder.

In 1917, the town was incorporated as the City of Boulder.

In 1918, the town was incorporated as the City of Boulder.

In 1919, the town was incorporated as the City of Boulder.

In 1920, the town was incorporated as the City of Boulder.

In 1921, the town was incorporated as the City of Boulder.

In 1922, the town was incorporated as the City of Boulder.

In 1923, the town was incorporated as the City of Boulder.

In 1924, the town was incorporated as the City of Boulder.

In 1925, the town was incorporated as the City of Boulder.

In 1926, the town was incorporated as the City of Boulder.

In 1927, the town was incorporated as the City of Boulder.

In 1928, the town was incorporated as the City of Boulder.

In 1929, the town was incorporated as the City of Boulder.

In 1930, the town was incorporated as the City of Boulder.

In 1931, the town was incorporated as the City of Boulder.

In 1932, the town was incorporated as the City of Boulder.

In 1933, the town was incorporated as the City of Boulder.

In 1934, the town was incorporated as the City of Boulder.

In 1935, the town was incorporated as the City of Boulder.

In 1936, the town was incorporated as the City of Boulder.

In 1937, the town was incorporated as the City of Boulder.

In 1938, the town was incorporated as the City of Boulder.

In 1939, the town was incorporated as the City of Boulder.

In 1940, the town was incorporated as the City of Boulder.

In 1941, the town was incorporated as the City of Boulder.

In 1942, the town was incorporated as the City of Boulder.

In 1943, the town was incorporated as the City of Boulder.

In 1944, the town was incorporated as the City of Boulder.

In 1945, the town was incorporated as the City of Boulder.

In 1946, the town was incorporated as the City of Boulder.

In 1947, the town was incorporated as the City of Boulder.

In 1948, the town was incorporated as the City of Boulder.

In 1949, the town was incorporated as the City of Boulder.

In 1950, the town was incorporated as the City of Boulder.

In 1951, the town was incorporated as the City of Boulder.

In 1952, the town was incorporated as the City of Boulder.

In 1953, the town was incorporated as the City of Boulder.

In 1954, the town was incorporated as the City of Boulder.

In 1955, the town was incorporated as the City of Boulder.

In 1956, the town was incorporated as the City of Boulder.

In 1957, the town was incorporated as the City of Boulder.

In 1958, the town was incorporated as the City of Boulder.

In 1959, the town was incorporated as the City of Boulder.

In 1960, the town was incorporated as the City of Boulder.

In 1961, the town was incorporated as the City of Boulder.

In 1962, the town was incorporated as the City of Boulder.

In 1963, the town was incorporated as the City of Boulder.

In 1964, the town was incorporated as the City of Boulder.

In 1965, the town was incorporated as the City of Boulder.

In 1966, the town was incorporated as the City of Boulder.

In 1967, the town was incorporated as the City of Boulder.

In 1968, the town was incorporated as the City of Boulder.

In 1969, the town was incorporated as the City of Boulder.

In 1970, the town was incorporated as the City of Boulder.

In 1971, the town was incorporated as the City of Boulder.

In 1972, the town was incorporated as the City of Boulder.

In 1973, the town was incorporated as the City of Boulder.

In 1974, the town was incorporated as the City of Boulder.

In 1975, the town was incorporated as the City of Boulder.

In 1976, the town was incorporated as the City of Boulder.

In 1977, the town was incorporated as the City of Boulder.

In 1978, the town was incorporated as the City of Boulder.

In 1979, the town was incorporated as the City of Boulder.

In 1980, the town was incorporated as the City of Boulder.

In 1981, the town was incorporated as the City of Boulder.

In 1982, the town was incorporated as the City of Boulder.

In 1983, the town was incorporated as the City of Boulder.

In 1984, the town was incorporated as the City of Boulder.

In 1985, the town was incorporated as the City of Boulder.

In 1986, the town was incorporated as the City of Boulder.

In 1987, the town was incorporated as the City of Boulder.

In 1988, the town was incorporated as the City of Boulder.

In 1989, the town was incorporated as the City of Boulder.

In 1990, the town was incorporated as the City of Boulder.

In 1991, the town was incorporated as the City of Boulder.

In 1992, the town was incorporated as the City of Boulder.

In 1993, the town was incorporated as the City of Boulder.

In 1994, the town was incorporated as the City of Boulder.

In 1995, the town was incorporated as the City of Boulder.

In 1996, the town was incorporated as the City of Boulder.

In 1997, the town was incorporated as the City of Boulder.

In 1998, the town was incorporated as the City of Boulder.

In 1999, the town was incorporated as the City of Boulder.

In 2000, the town was incorporated as the City of Boulder.

In 2001, the town was incorporated as the City of Boulder.

In 2002, the town was incorporated as the City of Boulder.

In 2003, the town was incorporated as the City of Boulder.

In 2004, the town was incorporated as the City of Boulder.

In 2005, the town was incorporated as the City of Boulder.

In 2006, the town was incorporated as the City of Boulder.

In 2007, the town was incorporated as the City of Boulder.

In 2008, the town was incorporated as the City of Boulder.

In 2009, the town was incorporated as the City of Boulder.

In 2010, the town was incorporated as the City of Boulder.

In 2011, the town was incorporated as the City of Boulder.

In 2012, the town was incorporated as the City of Boulder.

In 2013, the town was incorporated as the City of Boulder.

In 2014, the town was incorporated as the City of Boulder.

In 2015, the town was incorporated as the City of Boulder.

In 2016, the town was incorporated as the City of Boulder.
