Minutes of the August 10, 2018 SVABO General Meeting at Folsom Community Center, Folsom, Ca.

- Meeting called to order by President Greg Anderson at 10:03 AM
- Flag Salute – Led by Nancy Springer
- Welcome from Scott Zangrando, Chief Building Official, City of Folsom
- Self-introductions
- Review of July 13 meeting minutes
  - Motion to approve minutes from Nick Henderson, second by Nancy Springer; approved by unanimous vote.

Executive Board Reports:

Secretary / Treasurer’s Report – Jim Mangino
- Total Liabilities and Equities as of July 31st are $120,584.09. This total will be filed for audit.

Vice-President’s Report – Joe Cuffe
- Next general meeting will be held in Sacramento County on 9/14/2018.
- Please purchase a ticket for the 50/50 raffle.
- Bob Stoddard Scholarship is now open and available on the website. Please reach out to those that may be qualified to apply. Discussion took place on what type of ‘Building’ related course would qualify as an accepted course. Scholarship Committee to look at possibly re-defining and memorializing the qualifications.
- Topic of storage containers and their possible uses was discussed. ICC came out with a draft guideline that addresses residential and commercial storage only. The guideline can be found on the ICC website.

President’s Report – Greg Anderson
- SVABO Outreach Project is scheduled for September 8th, 2018. Greg gave an update on the progress to this point and what type of work is left to perform for the 9/8 project. Discussion took place on the particulars of the project.
- Please sign up for the SVABO Committees. They can all use help.
- Greg gave the ICC announcements and updates for Chris Ochoa. Announcements and updates are attached.

Past-President’s Report – Scott Zangrando
- City of Folsom is implementing the ‘Trak-it’ Permitting software and experiencing some difficulties. Scott is looking for feedback from other users for pointers and tips. Discussion took place.

Code Quiz: Will Crew

Thanks Will for the entertainment and knowledge. (Code quiz attached).
Committee Reports:

Code Development Committee - Jay Hyde
- If you have the time please sign up. The committee can use a lot of help. Full report attached.

Education Committee – Terry Knox
- Terry gave an update on upcoming education classes. See attachment for class schedule. Also, see Education Committee meeting agenda from August 15, 2018 (attached).

Outreach Committee – Gene Paolini
- See the Presidents report for the items discussed.

Scholarship Committee – Don Wilden
- See the Vice Presidents report for the items discussed.

Permit Technician Committee – Michelle Menszer for Tammy Dominguez
- Please send your available Permit Techs to the upcoming committee meetings. The next meeting will be held in Folsom on September 11th, 2018 in Folsom

PASS Ad-Hoc committee – Gene Paolini
- No report

Installation Dinner Ad-Hoc committee – Andrea Coley
- Installation dinner will be in Folsom at the same location as last year on December 1st. Alternate raffle ticket drawn will be for a guest/spouse or significant other to attend the installation dinner at no charge.

Agency Reports:

CALBO –
Greg Mahoney
- CALBO has a new website. The new website is nicely done and very user friendly.

Jay Hyde
- Jay is a member of the CALBO communications committee in charge of working on social media communications and outreach for the different chapters and jurisdictions. Jay is looking for any advice from other folks.

League of Cities – No report

California Energy Commission –
Daniel Wong
- Efficiency Division Updates are attached. Daniel will be our new liaison to the Energy Commission. Public comment period has closed for the energy compliance manuals.

Greg Mahoney
- Greg discussed Permit avoidance. Only 8% - 10% of HVAC installations are done with the benefit of a Building Permit. Discussed SB 1414 which requires the Energy Commission to come up with a plan to deal with the unpermitted HVAC change outs by January of 2019. Statewide Online Permitting was also talked about. Discussion took place on various energy related items.

HCD – No Report

DSA – No Report
ICC -
Greg Anderson
  - Greg gave the ICC announcements and updates for Chris Ochoa during the Presidents report. Announcements and updates are attached.

Greg Mahoney
  - ICC has commissioning guidelines for Building Officials.

Nancy Springer
  - ICC is working on a guide book for disasters.

CSLB – Nancy Springer
  - Nancy talked about Permit avoidance and the CSLB taking another look at how to approach the issue.
  - CSLB meeting is being held in Rancho Cordova on 9/20/18.

CBSC – Greg Mahoney
  - Code Advisory committees are meeting next week Tuesday, Wednesday and Thursday on Plumbing, Mechanical, Electrical and Energy codes. These are the proposed State amendments for these codes.
  - CARB wants to increase EV charging stations. Discussion took place.

CBOAC – Andrea Coley
  - Annual Conference and Business Meeting to be held on April 28th through May 2nd, 2019 at the Cliffs Hotel and Spa in Pismo Beach. Save the Date flyer is attached.

Old Business: None

New Business:
Nancy Springer
  - Suggested a gift for Jay Elbettar as outgoing ICC President. Nancy will do some further research and report back.

Terry Knox
  - Asked the group if any letters of support have been sent for future ICC Board members. We will wait to see who CALBO will be supporting so that SVABO is aligned with CALBO.

Will Crew
  - Asked for clarification on the differences between the PASS program and Permit Simplicity. An article was written in Elk Grove which misrepresented the processes offered by the City.

Announcements:
Jay Hyde
  - SB 7 requires individual water meters for new construction multi-family projects. Jay is making the membership aware of the new requirements. Discussion took place.

Nancy Springer
  - Building Inspector II position open in Sacramento County. Building Inspector I position to open soon.

Joe Cuffe
  - Assistant Building Official position opening in Rancho Cordova.
  - Joe needs some help with the SVABO history book project. Hoping to digitize the book and then we need pictures and stories for the last 20 years. We are coming up on our 70th year in 2019!

Greg Anderson
  - Building Inspector I position open in Citrus Heights.
  - Please sign up for the ad-hoc committee to review the SVABO Plus Membership category and what it covers. Discussion took place.

50/50 Raffle:
Joe Cuffe won $25 and Bob Ivie won the alternate ticket for the installation dinner.
Congratulations Joe and Bob!
Presentation:
David Choe with the CSA Group gave a presentation on the process of listing unlisted products and equipment. Thank you David!

Meeting adjourned at 1:09 PM.

Respectively Submitted,
Jim Mangino
SVABO Secretary/Treasurer
1. According to the 2016 California Building Code Chapter 2 Definitions, a Hotel or Motel is any building containing _____ or more guest rooms intended or designed to be used, or which are used, rented or hired out to be occupied or which are occupied for sleeping purposes by guests.
   a. 3
   b. 4
   c. 5
   d. 6

2. According to 2016 California Green Building Standards Code Section 4.303.1.3, single or multiple showerheads shall have a maximum flow rate of not more than _____ gallons per minute at 80 psi.
   a. 1.0
   b. 1.5
   c. 1.8
   d. 2.0

3. According to 2016 California Building Code Table 602, fire resistance rating requirements for exterior walls based on fire separation distance for a Group U occupancy (private garage or carport as classified in Section 406.3.1) greater than 5 feet and less than 10 feet requires a 1 hour fire separation.
   a. True
   b. False

4. According to the 2016 California Plumbing Code Section 408.5, in no case shall a dam or threshold for a shower receptor be less than ____ inches or exceeding ____ inches in depth where measured from the top of the dam or threshold to the top of the drain.
   a. 1,5
   b. 2,6
   c. 2,9
   d. 3,6

5. According to the 2016 California Residential Code Section R703.3.3, fasteners for hardboard panel and lap siding shall penetrate not less than ____ inches into framing.
   a. 1 inch
   b. 1 ⅛
   c. 1 ½
   d. 1 ¾
1. Members present:
   1. George Kellogg
   2. Jay Hyde
2. Approval of minutes from May 25, 2018 meeting.
   1. The June 8, 2018 Report to the SVABO Membership was reviewed and approved.
   1. Upcoming dates and times were discussed. At this time SVABO is not sending any Delegates to Public Comment Hearings.
4. Group B Proposals
   1. IBC 2510.6 Water Resistive Barriers (under cement plaster) update: Bruce Bell is working with Minnesota on a State Building Code Change. When the wording is available we will review with the intent to propose the same language to ICC.
5. Update on Significant Changes to 2018 I Codes
   1. Building – Jay Hyde, George Kellogg
      i. George will continue to work on the Structural change comments.
   2. Fire – Jay Hyde
      i. Jay will review and continue to work on report.
   3. Residential – Nick Henderson, George Kellogg
      i. Jay will review and merge Nick and George’s comments into one document.
      ii. One important item is that the Residential Code has reorganized the deck sections to make the requirements easier to understand.
4. Goal is to present the 3 reports at the September SVABO Chapter meeting.
6. Old Business:
   1. Outreach to other ICC Chapters.
   2. Efforts to increase Committee Membership.
      i. Discussed this item at length. The committee needs additional participation in order to function effectively.
      ii. Jay to request that Building Departments consider sending staff as a training and growth exercise. Things that may be learned are:
         1. How the Code is developed.
         2. Getting to understand the Code better.
iii. Committee discussed alternative ways to meet. Jay and George to investigate web based meeting formats such as “Go to Meeting” and “Google Hangout” and report at the next committee meeting.

5. Emergency Housing. No update.

7. New Business
   2. 2016 CBC Section 1020.6 Corridor Continuity was discussed:
      i. The CBC wording is “Fire-resistance-rated corridors shall be continuous to an exit, and shall not be interrupted by intervening rooms...
         1. The ICC Code commentary states that the word “AN” is deliberate and that where 2 exits are required form a corridor one exit must be a true exit bit that the other exit may be through an intervening room in conformance with CBC 1016.1
      ii. The Committee determined that we will develop a request for interpretation to be submitted to the California State Fire Marshal for clarification.
   3. 2016 CBC Section 1028 was discussed:
      i. Under certain circumstances a 2-hour fire-resistance-rated exit stair enclosure may terminate at a non-rated exit discharge lobby.
         1. Committee members to review this code section and prepare for discussion at the next Committee meeting.

8. Adjourn at 9:00 AM

NEXT MEETING: FRIDAY, SEPTEMBER 28, 2018. 8:00 AM at Mogavero Offices, 2012 K STREET, SACRAMENTO, CA.
SVABO Upcoming Events
August 10, 2018

August 24, 2018
Means of Egress in the 2016 CBC and CRC
Rancho Cordova, CA

September 25-26, 2018
The Complete Permit Technician
Folsom, CA
SVABO EDUCATION COMMITTEE - Agenda
August 8, 2018     8 a.m. – 10 a.m.
Folsom City Hall
2nd Floor Community Development Conference Room
50 Natoma Street, Folsom, CA 95630

1. Call to Order – Chair Terry Knox

2. Welcome and introductions---

3. Announcements (Non-agenda Items) - the complete permit Tec and Means of Egress classes for August and September are set and on SAVBO web site.
   • Monitors needed for these two classes

4. Chairman’s Statement— SAVBO Committee members need to make a strong commitment to serve and contribute to the effort of the committee.

5. Recap – last meeting we talked about an Inspection Academy and establishing a four day training program for new inspectors and those wanting to become inspectors. To keep this moving forward we as a committee need to start focusing on the agenda:
   ➢ who will teach
   ➢ the format - classes each day
   ➢ The programs (i.e.)?
     1. introduction into the program
     2. soft skills,
     3. legal,
     4. communications,
     5. writing skills,
     6. how to use and understand the codes,
     7. field experience
     8. outside training

6. Upcoming Classes 2018 -2019
   a) September 25 -26 Complete permit Tech. Steve Burger
   b) Friday, August 24, 2018 | 8:00 am - 4:00 pm Means of Egress Classe – Paul Armstrong.
   c) October / November classes. working on an energy program with State
d) Intermediate Permit Tech Class - Mary Dickson ......will teach at Minstitute 2-days

e) So you Want to be A Building Official - Steve Burger will provide tech at Minisitute 1-day

f) Inspectors Institute 4-day work shop at Minisitute .... Working on logistics.

g) Electrical Class – Mike Stone – Minisitute?

h) Building Department Customer Service – Pat Headington will teach at Minisitute

i) Plan Review – suggestions

j) Energy class - state, maybe before December

k) Simpson

l) Others

7. SVABO Minisitute - - May 6 -9-2019 Citrus Heights

8. Action Items:
   • Contact Paul Armstrong for Dates of his class in Fall – Terry - complete
   • Rooms and lunches for up coming classes – Joe, Scott -complete

9. Future Education Committee Dates and Locations
   a) Next Education meeting will be August 8th at Folsom 8-10AM.
Efficiency Division Updates and Resources

- The Climate Zones by Zip Code list has been updated. ZIP code 93550 has been corrected to climate zone 14. http://www.energy.ca.gov/maps/renewable/building_climate_zones.html

It’s **only 11 weeks** before the start of the 2018 ICC Annual Conference in Richmond, Va. To keep you on track, this August issue of the ICC GR Chapter Monthly Update will focus on deadlines:

**Deadline August 10:** Applications are due for ICC’s 2018 Code of Honor Scholarship Program
If you are an ICC Governmental Member Voting Representative, don’t miss your chance to apply for a Code of Honor Scholarship to support your attendance at ICC’s Public Comment Hearings, October 24–31, 2018, in Richmond, Va. The application site will close on **Friday, August 10**. For details, click here.

**Deadline August 10:** Applications are due to seek a seat on the ICC-ES Evaluation Committee
The ICC Evaluation Service (ICC-ES) seeks to fill openings on the ICC-ES Evaluation Committee, with qualified individuals who will evaluate proposed acceptance criteria prepared by staff concerning building products. Applications will be accepted until **August 10, 2018**. For more information, click here.

**Deadline August 15:** All ICC Chapters must submit their annual reports to receive Chapter benefits
Many Chapters have already done so, but Wednesday, August 15, is the deadline to submit your Annual Report so you can receive all Chapter benefits, including a complimentary registration to this year’s Annual Conference in Richmond, Va. Monday afternoon, October 22, will feature a Chapter Presidents' Meeting, where the Chapter of the Year will receive its award. To submit your Chapter’s Annual Report, log in to your My ICC account and choose "My Chapters." From there, you can go to "View/Edit Chapter Details," and add an Annual Report. For more information, contact Karla Higgs at 888-422-7233 x5268 or chapters@iccsafe.org.

**Deadline August 31:** Send in applications for the Governing Committee of an ICC Membership Council
If you want a seat on one of the ICC Membership Councils’ Governing Committees, the first step is to submit your application to seek candidacy for the position by Friday, August 31. ICC has six Membership Councils. The application puts you into the nomination and election process which concludes Sunday morning, October 21, at the ICC Annual Conference in Richmond. Click here for an application to become a Governing Committee candidate. Terms are 2 years for the Emerging Leaders Membership Council and 3 years for all other Councils. Travel is required for at least two of the Membership Council Governing Committee meetings. For more information, email Karla Higgs.

**Deadline September 14:** Opportunities available to participate on ICC Exam Development Committees
If you’ve ever been interested in having a say in the development and maintenance of the ICC National Certification exams, **now’s the time to apply**. But hurry — the closing date for receipt of applications is September 14. EDC members are appointed by the Certification Committee of the Professional Development Council for three-year terms. Applications are reviewed for experience, education, certifications held, previous committee experience and geographic location/municipality size to ensure our committees are representative of the entire nation. Beginning January 1, 2019, there will be many openings on ICC Exam Development Committees (EDCs). Read more.

**Deadline September 16:** Get price breaks from early-bird registrations for 2018 ICC Annual Conference
Register by Sunday, September 16, to benefit from early-bird savings when you register for the 2018 ICC Annual Conference, Code Hearings and Expo, October 21-31 at the Greater Richmond Convention Center in Richmond, Va. This important building industry event offers educational sessions led by world-renowned experts, networking opportunities, historic building tours and the chance to influence the 2021 International Codes (I-Codes). If your jurisdiction needs prompting to understand the value of your participation in the Annual Conference and code hearings, please use this justification letter template. For conference information at-a-glance, click here to see the ICC Annual Conference talking points.

**Deadline September 24:** Validation required to vote at 2018 Annual Conference and on Group A codes
Join the over 5,000 Governmental Member Voting Representatives that have already been validated to vote online or in person. As a Primary Representative of current Governmental Members, you can click
here to login and validate your Governmental Member Voting Representatives. This year, Voting Representatives must have their credentials validated by September 24 in order to fully participate in the 2018 Annual Business Meeting, Public Comment Hearings, and Online Governmental Consensus Vote. **Governmental Member Voting Representatives must be validated each year.** If you have already validated your voting representatives' credentials in 2018, you do not need to do so again.

**Space is limited: Applications are online to sign up for the Fourth Annual Ron Burton Golf Outing**
The very popular **Ron Burton Golf Outing** is receiving applications right now and supporters are advised to act now. Space in the event is limited. This annual feature of the ICC Annual Conference is sponsored by the ICC Past Presiding Officers to provide training and resources to future leaders of the code profession. It will be held Sunday, October 21. You can sign up as a sponsor or player. This event celebrates the life and work of William Ronald “Ron” Burton.

**August 13 teleconference scheduled to organize public input to the ICC Code Correlation Committee**
A teleconference for the ICC Code Correlation Committee is scheduled for Monday, August 13, 2018, to initiate public comments, as needed, for correlation of changes to be considered at the Public Comment Hearing. The meeting is expected to start at 1 p.m. Eastern. An agenda will be posted on the ICC website at [www.iccsafe.org/ccc](http://www.iccsafe.org/ccc). Read more

**ICC Government Relations Forum time and date set for 2018 ICC Annual Conference**
One of the most popular attractions during the ICC Annual Conferences has been the Government Relations Forum, which features timely issues and compelling speakers. The Forum will be 8:30 to 11 a.m. Tuesday, October 23, in the Greater Richmond Convention Center. ICC Members will be eligible for ICC CEUs for attending.

**Focus on the ICC Military Families Career Path Program progress will be featured October 22**
Starting at 1 p.m. Monday, October 22, ICC Members can hear a one-hour update on the ICC Military Families Career Path Program to recruit veterans to find careers in code development and enforcement. The meeting will be held in Room B17 of the Greater Richmond Convention Center. The program was featured in the latest episode of the ICC Pulse Podcast with Sergeant First Class Mike Reese with the Code Services Department of Manhattan, Kansas. [Click here](http://www.iccsafe.org) to listen.

**WILDFIRES: ICC webpage offers insights and resources to help communities and officials cope**
Once again, wildfires are tragically claiming lives and wrecking neighborhoods and communities, resulting in mounting costs that have enormous economic and environmental impacts to the nation’s communities and businesses. The ICC website offers a resource page to help officials and communities cope with fires, prevention and recovery. Also, Gabe Maser, Vice President of ICC Federal Relations, recently published this news article on FEMA Hazard Mitigation Grant Program (HMGP) funding to support wildfire recovery. [Click here](http://www.iccsafe.org).

**New video available to explain the benefits of becoming a Member of the International Code Council**
When it comes to creating safe, sustainable and resilient structures, code officials are the heroes that make it happen. And if you’re interested in pursuing a career that's dedicated to keeping people safe where they live, work and play, ICC provides an abundance of tools to help you get started. [Click here](http://www.iccsafe.org) to view the new video from ICC Member Services, and pass it along to others. Also, new ICC Chapter logos are available for your website, merchandise, and other uses. A vertical Chapter logo is available by [clicking here](http://www.iccsafe.org). A horizontal version is available here.

**2018 marks the 20th anniversary of the International Energy Conservation Code**
ICC celebrates the 20th anniversary of the International Energy Conservation Code (IECC) this year, which addresses the design of energy-efficient building envelopes and the installation of energy-efficient mechanical, lighting and power systems through requirements emphasizing performance. The IECC is in use across the United States, member nations of the Caribbean Community (CARICOM), Mexico, Saudi Arabia and Abu Dhabi. To date, the energy code has saved U.S. consumers over $44 billion and avoided 36 million tons of carbon dioxide emissions. Between 2010 and 2040, the U.S. Department of Energy
expects that model building energy codes will save homeowners and businesses up to $126 billion in energy costs. Click here to read more.

The International Code Council and the Solar Rating and Certification Corporation (ICC-SRCC), in collaboration with the National Fire Protection Association (NFPA), have updated the 2018 International Solar Energy Provisions (ISEP). This publication compiles the solar energy provisions of the 2018 International Codes (I-Codes) and the 2017 National Electrical Code (NEC or NFPA 70) and related ICC-SRCC standards into one comprehensive document on the design, installation and administration of solar thermal and photovoltaic systems. The ISEP is available for adoption by interested countries, states and local jurisdictions as their solar energy code, and it mirrors the format of the I-Codes, a family of fifteen modern, regularly updated building safety codes used throughout the world. The ISEP contains separate provisions for commercial and residential buildings, and two important solar standards have been included in their entirety: ICC 900/SRCC 300–2015, Solar Thermal System Standard, and ICC 901/SRCC 100–2015, Solar Thermal Collector Standard. Additional resources, such as the Checklist and Submittal Requirements for Expedited Permitting of Solar Photovoltaic Systems and the U.S. Department of Energy Solar Site Access, are also included. To order the 2018 ISEP, click here.

**ICC Government Relations’ Sara Yerkes outlines ICC’s efforts to inspire people to take code careers**
Sara Yerkes, Senior Vice President of ICC Government Relations, recently had an article published that explains ICC’s efforts and commitment to inspire young people and military veterans to consider careers in code development and enforcement. Click here to read the article.

**ICC-ES resumes Building Department Service due to demand for evaluating products or components**
The ICC Evaluation Service (ICC-ES) is reinstating its Building Department Service due to requests and increased demand. This unique program provides technical services to code officials for evaluating a building material, product or system for specific sites. Through the service, jurisdictions can arrange for ICC-ES experts to investigate, evaluate, and report on specific products or components that are being proposed for use on a given project to determine whether they are acceptable. ICC-ES technical staff are the standard for the industry and are qualified to evaluate a wide range of products including fire-resistant assemblies, sandwich panels, solid-fuel-burning appliances, classified roof coverings and wall-covering systems. For more information, contact es@icc-es.org or 1-800-423-6587.

**Upcoming from the ICC Learning Center: Institutes, training, seminars, webinars, etc.**
Online learning is available from the ICC Learning Center. Find course listings you’d like to attend in the Learning Center using the Search function. Single-day training events are an opportunity to focus on topics to ensure your code knowledge stays up to date, with some seminars offering a Virtual Classroom option so you can participate in the event from any location with an internet connection:

- August 8 – IMC Boiler and Hydronic Piping.  
- October 17 - Single Family Homes from Application to Occupancy.  
- November 1 - Procedures for Officers and Inspectors.  
- November 15 - Inspector Skills.  
- December 6 - Report Writing for Code Officials.

The following is the updated list of ICC Institutes and other training opportunities across the nation. Find course listings you’d like to attend in the Learning Center using the Search function:

- August 6-10 at Myrtle Beach, S.C., Plan Review Institute.  
- August 20-24 at Brea, Calif., Residential Inspection Institute.  
- September 17-20 in Dallas, Texas, 14 Permit Technician Certification Test Academy.
• September 24-25 in Brea, Calif., Permit Technician Institute.
• October 2-4 at Country Club Hills, Ill., Principles of Building Safety Institute.
• October 9 in Country Club Hills, Ill., 2015 Means of Egress with Doug Thornburg.
• October 29-November 2 at Arlington, Va., Residential Inspection Institute.
• November 5-8 at the ICC office in Country Hills, Ill., 64 Property Maintenance & Housing Inspector Certification Test Academy.
• November 15 at Focal Point Academy, Columbia, Md., Inspector Skills.
• December 3-4 at Atlanta, Ga., Permit Technician Institute.
• December 6 at MicroTek in Chicago, Report Writing for Code Officials.
• December 10-11 in Orlando, Fla., “When Disaster Strikes” Institute.

Certification Test Academies feature interactive and question-based review for the exam. Students will receive a voucher to take the exam at a later date. Upcoming Academies:
• August 13-16 and November 5-8, B1 Res. Building Insp.
• September 17-20, 14 Permit Technician
• September 24-26, S1 Str. Steel & Bolting Spec. Insp.
• October 1-4, M1 Res. Mechanical Insp.
• October 9-12, 66 Fire Inspector I
• November 5-8, 64 Property Maintenance
ICC Calendar of Upcoming Dates:

- **Aug 10**: Deadline for Code of Honor Scholarship and ICC-ES Evaluation Committee Application
- **Aug 14**: Building Department Accreditation 101 in Brea, CA
- **Aug 15**: Fire Prevention Department Accreditation 101 in Brea, CA
- **Aug 20-24**: Residential Inspection Institute in Brea, CA
- **Aug 31**: Deadline to submit Membership Council Governing Committee Application
- **Sept 10-11**: When Disaster Strikes Institute in Brea, CA
- **Sept 14**: Deadline for Applying to be on an Exam Committee
- **Sept 15**: Deadline for Early Bird Registration for 2018 ICC Annual Conference
- **Sept 24**: Deadline to Validate Governmental Member Voting Representatives (GVMR)
- **Sept 24-25**: Permit Technician Institute in Brea, CA
- **Oct 21-31**: 2018 ICC Annual Conference, Code Hearings & Expo, Richmond, Virginia
- **Oct 30**: 2016 CBC Essentials in Brea, CA
- **Oct 31**: 2016 CRC Essentials in Brea, CA
- **Nov 5-8**: Residential Building Inspector Certification Test Academy in Brea, CA
- **Dec 11-14**: Commercial Building Inspector Certification Test Academy in Brea, CA
- **Jan 7**: Deadline for Group B Code Changes
