Description: Explains the process of conducting a plan review for small/medium sized commercial projects. The preparation, process and tools needed for plan reviews will be discussed. The class will focus on the building code portion of reviews based on the California Building Code. The class will provide students with formats, process and understanding of how to conduct a commercial plan review. Case studies will be discussed during the class to emphasize the process of a plan review.

Instructor: Stephen L. Thomas, CBO

Mr. Thomas has over forty years' experience in working with building codes including plan reviews, inspections, and administration. His firm provides building code consulting services for governmental agencies and architectural firms, as well as educational seminars on building codes across the country. Starting a building code-consulting firm in 1999, he has served as the contract Building Official for local jurisdictions in Colorado.

Mr. Thomas has served on several ICBO and ICC committees including serving as a member and then Chairman of the ICC Means of Egress Code Development Committee. He is also the author of the book, *Building Code Basics*, based on the 2009 & 2012 IBC and *Building Code Essentials* based on the 2015 & 2018 IBC, both available from ICC. He and his firm were awarded the Educator of the Year Award by the ICC in 2018. He has presented building code classes for the last 35 years and provides an interesting and engaging look at building codes.
