## Southeast Regional Student Conference:

BC SHRM attended and competed in the SHRM Southeast Regional Student Conference. A total of six members became the guinea pigs to go into the event with little to no information and compete to the best of their abilities. Walker Shively, Devan Cockrell, Taylor Moss, Chelsea Kimlel, Malorie Andrews, and Lauren Iobst were able to compete and listen to a variety of talented business people and speakers even being called out for being the college with the best dance skills. All students gained valuable information and encourage Bridgewater College students to participate again next year.

## Mock Interviews:

On April 9<sup>th</sup> local business HR representatives will be at Bridgewater College to provide students an opportunity to put their interview skills to the test. Students will be able to sign up for time slots and will be assigned a location to meet with their interviewer. After interviews are complete students will be given pointers on how to improve their skills for future interview situations. Students are encouraged to dress professionally and take this opportunity to truly develop their skills. Contact Megan Roberts mtr003 to sign up for a time slot.

## BC SHRM T-shirts

Thanks to Jennifer at *You've Got It Made* we were able to design and produce BC SHRM club t-shirts that could be purchased by club members as well as be sold to SV SHRM members at the meeting we hosted in February. The t-shirts included a "definition" of what SHRM is. This definition reads: "**shrm/shərm**/Noun: a four letter word for fun and networking. Verb: active camaraderie, ie: "SHRM'n with my peeps" T-shirts were sold to members for \$10 and to SV SHRM members for \$15. Thanks to all who bought shirts!
