Dear Member Colleagues,

We are pleased to offer you a new opportunity to become a sponsor of the Synthetic Turf Council's (STC) 2019 Annual Membership Meeting!

As an STC meeting or event sponsor, you will position your company as a key player in the largest trade association dedicated to the synthetic turf industry and demonstrate your willingness to invest in high-quality member programs and services. Remember, this is your STC and we want to ensure that your time and involvement at STC meetings are of value.

The upcoming STC Annual Membership Meeting on October 21-23, 2019 at The Westin Riverwalk, San Antonio is an ideal venue to showcase your products and services to synthetic turf manufacturers, builders, installers, specifiers, and other industry leaders. The meeting will attract over 200 attendees who are interested in learning more about the latest products, services, and innovative solutions to the challenges they face in the niche market of synthetic turf, and feature an Exhibitor Showcase with over 30 tabletop displays.

We offer a wide range of sponsorship opportunities to put your company's brand image in front of over 200 industry executives and decision-makers, 1,400 email and quarterly newsletter subscribers, and more than 2,300 website visitors per month.

For more information, please visit our event webpage at:

See you in San Antonio!

Sincerely,

The STC Marketing Committee

About the Synthetic Turf Council (STC)

Founded in 2003, the Synthetic Turf Council is a 501(c)6 non-profit trade association dedicated to serving as a resource for trustworthy information about synthetic turf. Our objective is to encourage, promote and facilitate better understanding among all parties involved in the manufacture, selection, delivery and use of today's synthetic turf systems. To that end, we make every attempt to dispense information that is neutral, objective and validated by independent, science-based, current and credible research.

As an action-oriented organization, we promote high standards and high quality in our industry through a respected member certification program and strict code of ethics. Our membership meetings provide a forum for cooperative learning and issue resolution, while outreach initiatives encourage cooperative relationships between industry and end-user organizations.
