Top 10 Reasons to
JOIN A COMMITTEE

Did you know there are lots of business opportunities when you get involved on a TACCA committee? Look at this list of ten benefits you get when you work toward a common goal with other committee members. Take action, join a committee—the association is always at work for you!

1. **Relationships/Networking/Community** – Joining a committee helps you build stronger relationships with knowledgeable contractors and associates.

2. **Brand Building** – Build your brand by getting involved, it’s not always about who you know—it’s about who knows you!

3. **Development** – Committee participation leads to uncovering business insights you can utilize in your professional and personal development.

4. **Experience** – Learn firsthand how TACCA works and the effort that goes into making the association successful.

5. **Leadership Opportunities** – Through active participation on a committee, you will develop leadership skills you can use at work and in your community.

6. **Vision** – You are at the forefront of TACCA’s future plans.

7. **Pay it Forward** – Give back by contributing to the growth and future success of the HVAC industry.

8. **Achievement** – A chance for people to see you in action – and you gain the satisfaction of making things happen.

9. **Awareness** – Gain a better understanding of how to benefit from TACCA’s programs and services.

10. **Insider Sneak Peaks** – You’ll know what’s happening before everyone else!
