Texas Association of Community College Business Officers (TACCBO)

Fall CFO Meeting | Central Time

Program Date:	October 28, 2026	**Delivery Method:**	Virtual
Program Location:	Zoom	**CPE Sponsor:**	TACCBO (Sponsor ID #010625)
Field of Study:	Specialized Knowledge	**Total CPE Available:**	3.0 CPE credits

Program Description

This program provides Texas Community College Business Officers with current information from statewide partners on governance and policy considerations, legislative and sector developments, and higher education funding and accountability. The educational sessions are designed to help participants identify emerging issues, evaluate operational implications, and apply relevant changes within their institutions.

3:20-3:30	Break	-	-
3:30-4:20	Session 3 - THECB	Emily Schmidt	1.0

Session 1 - TASB

Presenter	Maggie Farrell	**CPE Credit**	1.0 CPE credit
Course Title	Texas Association of School Boards: Governance, Policy, and Operational Considerations	**Prerequisites**	None

Course Content

- Current governance, policy, and operational matters affecting Texas public Community Colleges
- Recent developments and emerging issues relevant to college business operations
- Practical considerations for coordinating institutional policy, administrative practice, and board-level oversight

Learning Objectives

- Identify current governance and policy issues that may affect Texas Community College operations.
- Describe at least two operational considerations arising from recent statewide developments.
- Recognize areas in which institutional policy or administrative practice may require review.

Session 2 - TACC

Presenter	Ray Martinez	**CPE Credit**	1.0 CPE credit
Course Title	Texas Community College Policy and Legislative	**Prerequisites**	None

Course Content

- Current statewide policy and legislative matters affecting Texas Community Colleges
- Sector priorities, implementation considerations, and institutional impacts
- Issues requiring coordination among college leadership, finance, and governmental relations functions

Learning Objectives

- Summarize current statewide policy or legislative developments affecting Community Colleges.
- Explain how selected developments may influence institutional planning, budgeting, or operations.
- Identify follow-up actions or monitoring needs for college leadership.

Session 3 - THECB

Presenter	Emily Schmidt	**CPE Credit**	1.0 CPE credit
Course Title	THECB: Funding, Accountability, and Coordinating Board Initiatives	**Prerequisites**	None

Course Content

- Texas Higher Education Coordinating Board initiatives relevant to Community Colleges
- Higher education funding and accountability data and analysis
- Implementation, reporting, and planning considerations for institutional business offices

Learning Objectives

- Identify current THECB initiatives relevant to Community College finance and administration.
- Describe how funding or accountability updates may affect institutional reporting and planning.
- Recognize key implementation considerations and resources for continued monitoring.

CPE Credit and Attendance Requirements

- Each educational session qualifies for 1.0 CPE credit. A participant may earn up to 3.0 CPE credits by completing all three educational sessions.
- The TACCBO business meeting and scheduled breaks do not qualify for CPE credit.
- Credit will be awarded only for sessions attended. Participants must complete the program evaluation required by the sponsor. Attendance will be taken and various poll questions will be displayed through each session. Participants are required to be in the session and answer poll questions as evidence of participation.
- Final session descriptions remain subject to presenter confirmation. Any material changes will be communicated to registrants before the program.
