

Dear Prospective TACVB Member,

The Texas Association of Convention & Visitor Bureaus is committed to supporting and developing the convention and tourism industry in Texas through education and sharing of ideas. We provide seminars and conferences to train and develop CVB/DMO and Chamber professionals.

The enclosed packet includes TACVB membership, program, and services information. The **TACVB website** ([www.TACVB.org](http://www.TACVB.org)) is also a tremendous resource for our members. You can now access the Members Area section of the website by clicking on "Sign In" at the top of the home page and entering your login and password. There you will find information available only to our members, including the Resource Library, the Texas Meetings & Events Tracking (TxMET) system, Texas Destination Marketing (TDM) certification program, job postings, Team Texas cooperative event, event registration (member pricing), and many others.

If there are others in your organization that you would like to add to your profile, please let me know. We can assist you in adding as many contacts/staff as you need. We'll set them up with their own profiles under your organization, as well as their own logins and passwords. The benefits of membership will be passed on to them as well.

TACVB strives to provide members with the resources and networking you need to be more informed and effective in your work. Please let us know of ways that TACVB can be of service to your organization and community.

We look forward to your organization being part of the TACVB Team!

**Sarah Page**  
Chief Executive Officer
