NEWS & RESOURCES

Member Survey Results

Many thanks to all who participated! 70% of survey participants reported they were extremely or very satisfied with TAG. Survey results will be used to further improve TAG's offerings. Key findings are outlined [here](#).

Current TAG members may download the full report [here](#).

Security Survey Deadline Extended

The security survey is a tool to improve your foundation's security and every foundation should be participating! If you have not completed the survey, please participate by May 5th. A new [blog article](#) details the importance of participating in the survey.

If your foundation hasn't already participated in the survey, begin [here](#).

TAG 2017: Registration Opens July

The Agenda Committee is working on the breakout sessions and plenaries and will have a final Agenda ready by late June. The conference is an excellent combination of learning about technology in philanthropy, building the TAG community and networking—plus opportunities to meet with your vendors.

Registration will open in July. [Click here to learn more](#).

We are pleased to release the results of the *Simplify Awareness and Adoption Survey*. Results indicate we have a lot of work to do! [Click here to read the summary](#).

Interesting Reading

[Pew: Cybersecurity Knowledge Quiz](#)

Test your knowledge on cybersecurity topics and terms by taking our 10-question quiz. Then see how you did in comparison with a nationally representative group of 1,055 randomly selected adult internet users surveyed online between June 17 and June 27, 2016.

[What We're Discussing](#)

Many thanks to everyone for posting and replying to messages. Let's keep the discussions going!

Can Data Bring Foundations and Nonprofits Closer?

Data champions—whether inside a nonprofit organization or a foundation—know that data on its own doesn't accelerate impact on its own. It's when you take that data and use it to guide stronger strategies and foster collaboration that data becomes a driver for change.
