

# Drive-thru COVID-19 testing at select Walgreens

Walgreens has partnered with the U.S. Department of Health and Human Services (HHS) to open drive-thru testing locations in Texas. Testing will be provided to eligible individuals at no cost.

## Who is eligible?

Based on CDC guidelines, individuals age 18 and older with or without symptoms are eligible.\*

## How do I make an appointment?

- First, take the eligibility assessment at [Walgreens.com/COVID19Testing](https://www.walgreens.com/COVID19Testing)
- If eligible, you will be directed to select a location and an appointment time

## How is the test administered?

- The test is a self-collection using a nasal swab, while remaining inside your car
- Walgreens pharmacists will be on-site to provide instructions

## How and when will I get results?

You will receive results by email or phone within a few days, directly from PWNHealth.

Take an online assessment and make an appointment at:
