Last Meeting: The last Capital Area Chapter meeting was held on Friday, June 21 at Water Treatment Plant #4. City of Austin staff, design engineers and the construction crew led a tour of the plant (see inside of newsletter for pictures). Thank you to our guides for the excellent tour and to our June meeting sponsors for this event.

Next Meeting: The next Capital Area Chapter meeting will be held on Friday, August 16, at noon at the Waller Creek Center (625 E. 10th Street, Austin) Room 104. Please be sure to arrive by 11:45 AM to ensure a good seat.

Alan Davis, P.E. with Alan Plummer Associates, Inc. will give a presentation entitled Zebra Mussels and the Lake Texoma Raw Waterline Pipeline Project. The North Texas Municipal Water District (NTMWD) was notified in 2009 that zebra mussels were discovered in one of their reservoirs, Lake Texoma. Mr. Davis plans to discuss NTMWD’s response to this discovery including their current project involving the construction of a 46-mile raw water pipeline from Lake Texoma to the Wylie Treatment Plant.

Mr. Davis has been a design engineer/project manager with Alan Plummer Associates, Inc. since 1998. He has a Master’s degree in engineering from the University of Iowa and an undergraduate degree in Civil Engineering from the University of Texas at Austin.

**Sponsor of the Capital Area Chapter of TAWWA**

**August 16, 2013**

Founded in 1984 in Austin, Texas, our first client remains a client of our firm today. We have learned that by first understanding our clients business strategies we are better able to help them achieve their goals on each project. One successful project leads to another with is why Bury+Partners remains focused on long term relationships. Over the years, our services have expanded to meet the growing demands of our clients. We have expanded to serve clients with additional offices in Dallas, Houston, San Antonio and Temple, Texas. Each expansion brought increased technical capabilities, expertise and resources. Today, with over 250 employees and the capacity to do work in every state, we offer the resources, talent and experience to serve any sector in the industry.

Bury provides civil, MEP, traffic engineering and landscape architecture to municipal clients across Texas. Projects include water and wastewater treatment and conveyance, roadways, drainage systems, traffic studies, signal design, hike and bike trails, sports complexes and parks. We understand the unique needs of our clients and have the resources and commitment to achieving a successful project. For more information, please visit our website at www.burypartners.com or contact Jason Roberts at 512-328-0011 or jroberts@burypartners.com.

**CAC TAWWA Fall Seminar—Call for Sponsors**

The Capital Area Chapter of TAWWA will be holding its Annual Seminar on **October 24, 2013** at the City of Austin Waller Creek Center in downtown Austin. The CAC TAWWA Seminar provides you with the opportunity to hear about leading edge projects, learn from experts, and network with your colleagues. The Seminar is also key in supporting AWWA scholarships in central Texas.

The planning committee is looking for individuals or organizations that are interested in sponsoring the event. Please see the attached flyer for more information. If you are interested in learning more about the seminar, please contact Marty Rumbaugh at Martin.Rumbaugh@aecom.com or 512-457-7728.
CAC members attended two plant tours during the month of June. On June 21st, the CAC held its bimonthly meeting at Water Treatment Plant 4.

A second plant tour was open to the CAC Young Professionals and took place on Friday, June 28th. The group toured the Walnut Creek Wastewater Plant. The tour was led by Raj Bhattarai, a Division Manager with the Austin Water Utility.

Thanks again to plant staff and construction crews for these very informative and exciting tours!
About the Capital Area Chapter

The Capital Area Chapter meets at the City of Austin offices at Waller Creek Plaza, 625 E. 10th Street, Austin, Room 104 on the third Friday of even numbered months.

Enter the parking garage from either 10th or 9th streets. Sign in with the security guard at the 10th street entrance. Room 104 is the large conference room on the east side of the first floor.

If you are interested in speaking at a meeting or have suggestions for meeting topics, please contact Behnoush Yeganeh at: Behnoush.Yeganeh@aecom.com.

This newsletter is sent to over 600 water professionals in the Austin area. If you are interested in sponsoring a meeting or have information for publication, contact Andrew Creel at: 512-300-1312 or acreel@cobbfendley.com.
