PSALM 93

THE LORD reigneth, he is clothed with majesty; the LORD is clothed with strength and power.

*buckler - small shield
*dragon - serpent
*unicorn - one horned animal

PSALM 95

O COME, let us sing unto the LORD: let us make a joyful noise to the rock of our salvation.
Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms.
For the LORD is a great God, and a great King above all gods.
In his hand are the deep places of the earth: the strength of the hills is his also.
The sea is his, and he made it: and his hands formed the dry land.
O come, let us worship and bow down: let us kneel before the LORD our maker.
For he is our God; and we are the people of his pasture, and the sheep of his hand. To day if ye will hear his voice,
Harden not your heart, as in the day of temptation in the wilderness:

*chastenest - corrects by punishing.
*frameth - forms.

Who We Are

The Trinitarian Bible Society is headquartered in the UK with branches in Australia, Brazil, Canada, New Zealand, and the USA. Our members are Protestants who believe in the doctrines of the Holy Scriptures and the Holy Trinity.

Our Purpose

On 7 December 1831, over two thousand people gathered at Exeter Hall, London, England, for the inaugural meeting of a new Bible society. Since that meeting we have seen God's hand both upon the work and on the many changes we have experienced over this long period of time. But one thing has not changed: our aim.

The object of this Society is to promote the Glory of God and the salvation of men, by circulating, both at home and abroad, in dependence on the Divine blessing, the HOLY SCRIPTURES, which are given by inspiration of God, and are able to make men wise unto salvation, through faith which is in Christ Jesus.

What We Do

Our work is, first and foremost, in providing people throughout the world with accurate and trustworthy editions of the Holy Scriptures, translated from the best Biblical language texts.

• Translating

We have over 90 Bible translation or revision projects in progress. Where possible we translate straight from the Biblical languages, using the Hebrew Masoretic and Greek Received Texts. We use formal equivalence principles so that our translations are as close as possible to the Scriptures as inspired by God.

• Publishing

We publish reliable Bibles and Scripture items in over 60 languages. Some of our Bibles are historic versions, but all are from the Hebrew Masoretic and Greek Received Texts. We seek to produce Bibles that are attractive and long wearing, as we recognise that in many cases one Bible might have to last a person a lifetime.

• Distributing

Millions of the Society's Bibles and Scripture items are distributed throughout the world each year, either as sales or as grants. Through the generous support of our members and friends, the Lord has enabled us to provide free or subsidised copies of His Word to many individuals and organisations.

• Promoting

We promote Bible translations which are accurate and trustworthy, having been translated from the best texts using the formal equivalence method.

• Upholding

We uphold the Protestant doctrines of the Holy Scriptures and the Holy Trinity. It was steadfast adherence to these vital doctrines which led to the formation of the Trinitarian Bible Society in 1831, and we remain as committed to them now as we have always been.

Ukrainian Bible

У почині було Слово, й Слово було
 в Бога, й Бог було Слово.
 2. Воно було в почині у Бора.

The most important part of any Bible is the text. We publish only Bibles translated from the Hebrew Masoretic Text and the Greek Received Text (or the Authorised (King James) Version in a small number of cases) using formal equivalence principles of translation. However we also seek to produce Bibles that are attractive and durable as the following points illustrate.

1 File production

For all our publications we endeavour to develop a reliable digital form of the text so that we can publish it in hard copy and electronically.

2 Page design

We seek to produce designs that are attractive, readable, and economical, but above all, appropriate for the Holy Scriptures.

3 Typesetting and proofreading

The book is then typeset and numerous checks are made before the typeset digital file is sent to be printed.

The printer arranges the pages into groups called signatures and a proof is sent to us for checking.

4 Production of printing plates and printing

The printer uses the digital file to create an image on printing plates. These plates are put on the printing press and paper from large rolls is run through the press at high speed.

5 Folding, gathering, and sewing

As the printed paper leaves the press it is folded into its signatures which are then gathered into a book block and are sewn together. To the front and back of this block are added thicker endpapers.

6 Binding

For paperbacks the cover is glued directly to the spine of the book block. For hardcovers the cover boards are glued to the endpapers. For leather editions the endpapers are glued to a vinyl endleaf which is in turn glued to the back of the leather cover material.

7 Packaging

A sheet with sales information is often shrink-wrapped onto the back cover. Alternatively, a hinged clamshell box or a slipcase which is open on one side is used to provide a sturdy package.

8 Receipt and approval

Boxes of Bibles arrive at our warehouse on pallets. Several samples are examined and if all is well the shipment is cleared for distribution.

9 Delivery

Some are set aside for grants, where we will give them away. Others will be sold, often at heavily discounted prices. All are sent with the prayer that their readers will grow in the Lord's grace.

Discounts

In order to promote the wide circulation of the Holy Scriptures we operate a discount structure for sales orders. Please see the table below for details of discounts which relate to certain types of accounts.

Products sold in sets: If any item within a set is no longer available or is temporarily out of stock, the Society will make up the set using duplicates from the same or another set.

3 Delivery

Delivery will be of the goods ordered (subject to clause 2 of these Terms and Conditions) to the delivery address provided and, where possible, by the requested manner of delivery. We provide standard and priority delivery options.

Please note that any delivery times quoted are best estimates only, and exclude the time needed to process the order and prepare the goods for dispatch.

We do not accept liability for non-delivery of goods (by whatever means) due to circumstances beyond our control. See clause 6 of these Terms and Conditions.

4 Returns

You may withdraw from the purchase you have made online by returning goods within 14 days of their

receipt without giving a reason. Please inform us immediately of your decision by email or telephone. A full refund (including outgoing postage where it has been charged) will be made when the returned goods are received by the Society. Return postage is not refunded.

If you wish to return goods to us for a specific reason, prior agreement must be obtained from us within 28 days of receipt of goods in writing by email or post. We will normally accept goods returned for whatever reason and refund in full (or replace with mutually agreed goods). Where the reason for return is because of a fault with us or third parties we have used, we will refund outgoing postage and reasonable return postage charges (exceptions are given in clause 6 of these Terms and Conditions).

5 Terms

Apart from customers with whom we have an existing trade arrangement, payment in full for goods and services provided must be received prior to dispatch of goods. If goods are supplied under an existing trade arrangement, all goods and their related services remain the property of the Trinitarian Bible Society until paid for in full.

6 Unusual Circumstances

As God is sovereign in all things, we acknowledge that all circumstances are beyond our control. However, we will not be liable where an order is not delivered, or is not delivered within the terms given in clause 3 of these Terms and Conditions above, or is not delivered intact, due to unusual circumstances such as an act of terrorism, war, adverse weather conditions, explosion, system breakdown, industrial dispute, etc.

The Aims of the Society

- To publish and distribute the Holy Scriptures throughout the world in many languages.
- To promote Bible translations which are accurate and trustworthy, conforming to the Hebrew Masoretic Text of the Old Testament, and the Greek Textus Receptus of the New Testament, upon which texts the English Authorised Version is based.
- To be instrumental in bringing light and life, through the Gospel of Christ, to those who are lost in sin and in the darkness of false religion and unbelief.
- To uphold the doctrines of reformed Christianity, bearing witness to the equal and eternal deity of God the Father, God the Son and God the Holy Spirit, One God in three Persons.
- To uphold the Bible as the inspired, inerrant Word of God.
- For the Glory of God and the Increase of His Kingdom through the circulation of Protestant or uncorrupted versions of the Word of God.
