**TCB Certified Criminal Justice Addictions Professional Application**

# THE CERTIFIED CRIMINAL JUSTICE ADDICTIONS PROFESSIONAL (CCJP)

After collaborating with criminal justice professionals around the state and around the country, TCB has requested and received permission from the International Certification & Reciprocity Consortium to offer the CCJP certification for Criminal Justice Professionals who also work in and around the field of substance abuse. We recognize that the LCDC does not always speak directly to the needs of the criminal justice system, so we have worked with those professionals to develop a credential that better meets their unique needs. It is our hope that this certification will allow employers and those they serve to recognize those professionals whose expertise includes the unique blend of substance abuse issues and those related more specifically to criminal justice.

*Pursuant to Texas Administrative Code Chapter 140, Rule 140.401, an individual having a Certified Criminal Justice Professional Applicant status issued by the Texas Certification Board or a Certified Criminal Justice Addictions Professional by the International Certification and Reciprocity Consortium providing chemical dependency counseling through a program or in a facility that receives funding from the Texas Department of Criminal Justice is exempt from LCDC licensure requirements when they offer or provide chemical dependency counseling services within the scope of their authorized duties and scope of practice.*

**The chart below details the minimum requirements for certification based on work experience, supervised experience, and education.**

The chart on the previous page details the total number of education hours required for your level of education/certification level. Please note that at least **six (6) hours should be in criminal justice ethics**. Hours of education should include these 4 core skill functions as they relate to both adults and juveniles (**a minimum of ten hours is required in each core skill function**):

## HOURS OF DIRECT SUPERVISION

*Realizing that supervision may take place in a variety of settings, TCB determined not to place limiting criteria on qualifications of a supervisor. Rather, it was determined that supervision should be as broadly defined as in the Center for Substance Abuse Treatment/Substance Abuse and Mental Health Services Administration's **Technical Assistance Publication number 21**. TAP 21 defines supervision/clinical supervision as: the administrative, clinical, and evaluative process of monitoring, assessing, and enhancing counselor performance.*

# INFORMATION ON RECIPROCITY

Texas has membership in the International Certification & Reciprocity Consortium (IC&RC). The IC&RC membership includes over 70 boards, both national and international. This list includes 62 boards in the United States and international boards from Canada, Sweden, Bermuda, Germany, Singapore, Puerto Rico, Malaysia, Indonesia, and Great Britain.

## **HOW RECIPROCITY FUNCTIONS**

Each certifying body belonging to the IC&RC agrees to use the minimum standards established for reciprocity-eligible credentials. For example, if an IC&RC member board offers a reciprocal level certification, then the IC&RC minimum standards must be used. In turn, each IC&RC member board agrees to accept the reciprocity-eligible certification(s) of the other member boards if they offer that credential.

## **THE RELATIONSHIP OF THE CERTIFIED CRIMINAL JUSTICE PROFESSIONAL (CCJP) TO RECIPROCITY**

Minimum standards for the criminal justice certification have been established by the IC&RC. These minimum standards are for the Certified Criminal Justice Professional (CCJP). However, not all IC&RC member boards have developed a reciprocity-eligible CCJP credential. Individuals holding the CCJP who apply for reciprocity to another IC&RC member board will receive the equivalent of the CCJP if a reciprocity-eligible credential is available through that board.

## **APPLYING FOR RECIPROCITY**

If you are moving to another IC&RC member board's jurisdiction, please contact TCB at 512-708-0629 to inquire about reciprocity.

# PROCEDURE FOR ETHICAL COMPLAINTS

TCB has a process established to provide an avenue through which persons can file complaints about the ethical conduct of a TCB CCJP or an applicant to the certification system. This provides a procedure and a forum by which such a professional or applicant may make a good- faith dispute and respond to such complaints. This system is used to adjudicate complaints, which, have been found to be irresolvable through other means. Prior to employing the process, persons are encouraged to attempt to resolve the situation through other means, i.e., personally with the CCJP professional or through the CCJP professional's supervisor/employing agency. If these means fail or do not satisfactorily resolve the circumstances, the disciplinary review process may be the appropriate vehicle to address the complaint.

Ethic complaints can be submitted online at [www.tcbap.org](http://www.tcbap.org) or mailed to:

## **Guidelines for Verifying and Documenting Hours of Direct Supervision (Practicum)**

The applicant's supervisor/agency must keep documentation of the on-the-job supervision (practicum) in the four core skill areas of the CCJP credential listed below. No single core skill function is to be performed for fewer than ten (10) hours and you must complete a total of the number of hours outlined in the chart on page 2 (for example 200 hours for HS Diploma/GED, 150 hours for Associate's Degree, etc).

- I. Dynamics of Addiction and Criminal Behavior
- II. The Criminal Justice System and Processes
- III. Screening, Assessment, and Treatment Planning
- IV. Case Management and Counseling

### **Documentation of Hours of Direct Supervision (Practicum)**

Practicum Supervisor/Practicum Agencies must keep verification of their practicum students hours utilizing the CCJP Supervised Practical Experience Timesheet Documentation Form and the CCJP Supervised Practicum Fieldwork (SPF) Weekly Documentation Form. These documents must be kept on file for a minimum of five years after the practicum has been completed, and must be provided to TCB if requested.

The CCJP Supervised Practical Experience Timesheet Documentation Form should only reflect hours that were worked in tasks related to the core functions and must be signed and dated.

There should be an SPF Weekly Documentation Form that corresponds to each CCJP Supervised Practical Experience Timesheet Documentation Form.

### **Instructions for Completing the SPF Weekly Documentation Form:**

#### **SECTION 1:**

Name of the Practicum student;

Dates of supervision - refers to the dates of the week that the supervision occurred for the core functions identified on the form;

Total hours this week, and cumulative hours, cumulative hours are the hours that were earned for the current week and previous weeks to date;

Name of the Supervisor/QCC - the individual actually supervising/verifying the task performed by the practicum student;

Name of the agency/site in which the tasks are being performed.

**SECTION 2:**

This section identifies the core functions in which the practicum student is required to perform. Only those tasks that are being worked on during the week identified should be reflected. For each Core function selected, each task performed within that core function should be documented in the Skills Demonstrated within the Identified Functions column of the form, (i.e. group facilitation, observed assessments, etc.)

**SECTION 3:**

Identify any goal(s) established during the previous week, and note any progress made towards that goal.

Identify any goals for the next week, and note any training activities/readings assigned to the practicum student.

The form must be closed out each week with signatures and dates from the Practicum student and the Supervisor/QCC that they have supervised and verified the fieldwork conducted.

*The Supervisor/entity will be required to keep a copy of the practicum documentation for five years after the practicum hours have been completed.*

**Acceptable Documentation for a Practicum Conducted at College/University:**

- An official college transcript (no photocopies) showing the completed practicum course with a letter from the school's department chair/coordinator stating the practicum was completed in the field of chemical dependency;
- A copy of the classroom certificate (only if completed through continuing education at a college or university) with a letter from the department chair/coordinator stating the practicum was completed in the field of chemical dependency;
- An official college transcript showing an approved degree which will waive the practicum requirements.
